GRI Standards content Index

GRI 1 used: GRI 1: Foundation 2022

citizenM has reported the information cited in this GRI content index for the period 1 January - 31 December 2022 with reference to the GRI Standards.

The Global Reporting Initiative (GRI) is an international independent organization that helps businesses, governments and other organizations understand and communicate the impact of business on critical sustainability issues such as climate change, human rights, corruption and many others.

GRI's Sustainability Reporting Standards are the world's most widely used standards on sustainability reporting and disclosure, enabling businesses, governments, civil society and citizens to make better decisions based on information that matters.

This GRI Standards Content Index refers to our 2022 ESG Report which can be downloaded **from this page** [here](#).
