

As baby grows, they'll get to experience lots of new things. What do you hope for them?

Write it down (and maybe they'll read it when they're a little older).

| I hope you learn |
|--------------------------|
| I hope you aren't afraid |
| I hope you love |
| I lope you get |
| I hope you laugh |
| I hope you never forget |
| I hope you ignore |
| I hope you become |
| I hope you respect |
| I hope you grow |
| WITH LOVE, |
| WIIII LUVE, |
