

COIMA, PROJECT&CONSTRUCTION MANAGER FOR UNICREDIT PAVILION

Milan, September 10th, 2014 – Today the new **UniCredit Pavilion**, located inside Porta Nuova Garibaldi, has been introduced to the press. A new multi-functional space for meetings, conferences, conventions, exhibitions, events, seminars, driven by creativity, innovation and sustainability, with a cutting-edge design.

Within the project, COIMA is in charge of the **Project Management** and **Construction Management**, coordinating all activities related to the construction of the Pavilion, which is due to open after the summer 2015.

The Pavilion combines multiple areas: the **“Aditorium”**, which seats up to 700 seats, the **“Passerella dell’arte”**, suspended along the perimeter of the Auditorium, the **“Lounge”**, a charming space with a unique view of the park, and a **nursery**, which houses up to 50 children.
