# REPORT OF THE COUNCIL

## For the year ended 31 December 2014

## STATEMENT OF COUNCIL'S RESPONSIBILITIES

The Friendly Societies Act 1974 requires the Council to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Federation and of the surplus or deficit of the Federation for that period. In preparing those financial statements the Council are required to:

- Select suitable accounting policies and then apply consistently;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on a going concern basis, unless it is inappropriate to presume that the Federation will continue in business.

The Council is responsible for keeping proper accounting records with respect to its transactions and its assets and liabilities which disclose with reasonable accuracy at any time, the financial position of the Federation. The Council is also responsible for the establishment and maintenance of a satisfactory system of control of its books of account, its cash holdings and all its receipts and remittances to enable them to ensure that the financial statements comply with the Friendly Societies Act 1974.

The Council is also responsible for safeguarding the assets of the Federation and hence, for taking reasonable steps for the prevention and detection of fraud.

Council members recognise these responsibilities and have ensured that the necessary safeguards are in place.

So far as the members of the Council of Management are concerned, there is no relevant information (information needed by the Federation's auditors in connection with preparing their report) of which the Federation's auditors are unaware. Each member of the Council of Management has taken all the steps that he ought to have taken as a member of the Council of Management in order to make himself aware of any relevant audit information and to establish that the Federation's auditors are aware of that information.

## **RESERVES POLICY**

General reserves at the year end stood at  $\pm 1,449,338$ . Unrestricted funds not committed or invested should be maintained at a minimum of six months of resources expended.

## **RISK REVIEW**

The Council has considered the risks to which the society is exposed and has established systems for mitigating those risks. External risks have been minimised by the adoption of procedures to ensure that the Federation implements all statutory requirements, particularly in respect of Health and Safety, Child Protection and other legislation. Annual budgets are prepared and reviewed every year and include strategies for securing funds from a wide range of sources. Internal risks are minimised by implementing procedures for authorising transactions, projects, etc., and to ensure consistent quality of delivery for all operational aspects of the society. The Council reviews these procedures periodically.

#### **INVESTMENT POLICY**

Funds have been invested in fixed interest government stocks and corporate bonds, UK equities and short-term deposits in the Charities Official Investments Fund. The Council considers that the returns on these funds are satisfactory.

# **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE NATIONAL FEDERATION OF YOUNG FARMERS' CLUBS**

We have audited the financial statements of The National Federation of Young Farmers' Clubs for the year ended 31 December 2014 which comprise the statement of financial activities, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Federation's members, as a body, in accordance with section 38 of the Friendly Societies Act 1974. Our audit work has been undertaken so that we might state to the Federation's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Federation and the Federation's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **RESPECTIVE RESPONSIBILITIES OF THE COUNCIL AND AUDITORS**

As explained more fully in the Statement of Council's Responsibilities set out on page 1, the Council is responsible for the preparation of financial statements which give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

## SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

## **OPINION ON FINANCIAL STATEMENTS**

In our opinion the financial statements:

- give a true and fair view of the state of the Federation's affairs as at 31 December 2014 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with the Friendly Societies Act 1974.

## MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Friendly Societies Act 1974 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Federation has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2014

## **1** ACCOUNTING POLICIES

#### **Basis of accounting**

The financial statements are prepared under the historical cost convention as modified by the revaluation of investments and comply with all applicable accounting and financial reporting standards.

#### Consolidation

In the opinion of the Council, the Federation and its subsidiaries comprise a small group. These financial statements present information about the Federation as an individual undertaking and not about its group.

#### **Incoming resources**

General donations and subscriptions are brought into account when received.

Donations and grants given for specific purposes are treated as income in the year of receipt. Unspent restricted income is included under restricted funds as it is fully committed.

All other income is accounted for on an accruals basis.

#### **Resources expended**

The resources expended are classified under the Federation's functional categories of expenditure rather than the type of expense in order to provide more useful information.

Costs included within each functional category comprise direct expenditure including direct staff costs attributable to the activity.

Where costs cannot be directly attributed, they have been allocated to activities on a basis consistent with budgeted use of resources.

## Depreciation

Depreciation is provided to write off the costs of fixed assets over their estimated useful lives on a straight line basis as detailed below.

Leasehold building	-	over the period of the lease
Furniture and equipment	-	3 years straight line basis

#### Stock

Stock is valued at the lower of cost and net realisable value. Provision is made for slow moving stock.

#### Investments

Listed investments are stated at market value.

The investment policy of the trustees is long term to ensure protection of the Federation's capital base as well as providing an annual income.

The effect of this policy is that the surplus arising on the annual revaluation of investments required by best practice is not regarded as available for distribution.

Investments in subsidiary undertakings are stated at cost.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2014

## 1 PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

#### **Pension costs**

Pension costs are charged to the income and expenditure accounts as they become due. Contributions payable to a defined contribution pension scheme as at 31 December 2014 amounted to  $\pounds 2,283$  (2013:  $\pounds 2,133$ ).

## **Operating leases**

Operating lease rentals are charged to the income and expenditure account as they become due.

#### Fund accounting

General funds comprise the accumulated surplus or deficit on the income and expenditure account. They are available for use at the discretion of the board of management in furtherance of the objectives of the Federation.

Designated funds comprise funds which have been set aside at the discretion of the board of management for specific purposes. The purposes and use of the designated funds are set out in the notes to the financial statements.

Restricted funds are funds subject to specific restricted conditions imposed by donors. The purposes and use of the restricted funds are set out in note 11 to the financial statements.

## **Expenditure categories**

Membership Convention:	Staging of the annual convention for members.
Club supplies:	Provision of merchandise to members for use at club and county levels.
Youthwork:	Provision of learning opportunities through delivery of practical programmes and fieldwork support to members. Includes the Youth Forum, project based work such as anti-bullying support, providing guidance to the Clubs & County Federations on safeguarding and empowering young members to effectively manage their clubs.
Training:	Provision of training programmes for members and associated accreditation.
Travel:	Provision of opportunity to take part in overseas trips, home stays and working opportunities.
Competitions:	Provision of a wide programme of activities, training members for life in personal and vocational skills.
