# A PASSION FOR SOCCER!

Soccer and EA FC 24 – these are passions of Luca (27), Content Creator from Cologne. He has become known for his videos on TikTok, Instagram and Twitch. How did he manage that? What does he love about gaming? And who is his absolute favorite player? satch has asked!

## @tabaaluca ■ Profile

Hobbies: Soccer, EA FC, gym & meeting friends ■ EA FC favorite song: LSD by Genius ■ satch favorite: pack Nordic Ice Blue

Satch

Hey Luca! Up for some quick questions?

Hi, sure, fire away! 🙌

Satch

Soccer & EA FC seem to be an absolute passion of yours. How did this come about?

My dad and my big brother both love soccer at least as much as I do – I've been kicking a ball around since I was a young boy. I played EA FC on the PlayStation for the first time with my brother and I've been a huge fan ever since.

Satch

And now you're a content creator for the esports team at a major German club in the Bundesliga, wow!

That's right, it will soon be 2 years. Sometimes I can't even believe it myself. I've been streaming EA FC on Twitch for a long time and then came across TikTok during the pandemic. And suddenly my videos went viral and I caught the attention of 1. FC Köln.

Satch

What's a typical day like for you?

It's always different. Sometimes I shoot and edit videos for TikTok or Instagram, and there's a lot of focus on topics like friendship and solidarity in soccer. Or I follow our esports players' games, which we broadcast on Twitch.

Satch

And you still play EA FC in your spare time, right?

Yes, that's right! Especially at weekends, actually I always play two Weekend Leagues and stream them too.

Satch

What do you love about EA FC?

I think the link to real-life soccer 🏈 and the contact with the whole community during the game is simply so cool! My favorite thing about gaming is the Ultimate Team mode, because I can create my own dream team.

Satch

Who is your favorite EA FC player?

Ronaldo 9 and Yaya Touré.

Satch

You weren't always a content creator and esports player though, you also went to school. Fancy a few questions about school?

YES! Let's go!

Satch

Teacher's favorite or the class clown?

I'm afraid rather a ... 🤖

Satch

Art or music?

Neither – sport! 🏈

Satch

Chocolate bar or packed lunch?

I always had a packed lunch at school, my mom made sure of that.

Satch

That was great, thanks Luca!

Sure, thank you! 🙌

## ADVENTURE FACTS

Stretching 24,000 kilometers the »Great Trail« in Canada is the longest hiking trail in the world.

Sports climbing made its Olympic debut at Tokyo 2020 as a new discipline.

An expedition to Mount Everest costs almost as much as a house for an entire family.

Bouldering and climbing are 7 times less likely to cause injury than soccer.

On mountains over 7,000 meters high, there is a »death zone«. At these heights, people can barely breathe. That's why mountaineers have to carry oxygen in a bottle and breathe this through a mask.

The climber's best friend is the rope – and then the climbing knots too. At least six should be mastered: Overhand bend, figure eight knot, clove hitch, bowline, Prusik knot and the Munter hitch.
