Please find details of The British & Irish Lions media events currently scheduled for the Qatar Airways British & Irish Lions Men's Tour to Australia, 2025.

Timings are subject to change and any venue changes will be communicated in a timely fashion via the usual Lions communications channels. Media attending Lions press events will be provided with an access badge that will need to be worn at all times.

Match accreditation is managed by Rugby Australia. RA will also advise on protocols for Captain's Run. Currently the Lions will only host Captain's Run activity at the match venues of the Tests.

Many thanks,

Jonny & David
