

FINNEY'S FISH & CHIP SHOP, BENLLECH

CEF BANGOR BRANCH [NORTH WALES GROUP]

Bangor branch in North Wales Group, have recently supplied our new MCG Industrial 3-Phase boards and devices to their customer, Finney's Benllech, a family run fish and chip shop, who have been in business since 2009.

Gareth Griffiths said, "I was really impressed with the board and how you can easily remove the pan assembly and I won't be going back to the previous supplier's boards any more".
