UiPath Innovators

The customer advocacy program that shines a spotlight on your AI and automation leadership

What is UiPath Innovators?

Introducing the **UiPath Innovators Program**, designed for business and transformation leaders committed to driving growth.

Enjoy benefits like showcasing your AI and automation experiences through case studies, speaking at events, invitations to networking events, access to UiPath thought leaders, and thoughtfully curated content to elevate your brand and grow your career.

Why join UiPath Innovators?

- **Elevate your brand.** Build your profile by participating in tailored marketing that showcases your ideas, experience, and success

- **Grow your network.** Meet like-minded leaders who are innovating with AI and automation

- **Sharpen your edge.** Enjoy members-only access to UiPath thought leaders to stay ahead of the curve

What's involved?

As an Innovator, you have the freedom to choose the activities that best align with your professional interests and career goals. How you choose to participate will always be up to you.

Hear from our members:

**Devika Saharya
Dir. of Business Systems @ MongoDB**

"I enjoy being a UiPath customer advocate because it allows me to connect with other customers and share our experiences to create better solutions."

Ready to become an Innovator?
