3am thoughts: What if we are the dream and humans are the dreamers?

Think back to February 2020.

If you were paying close attention, you might have noticed the world was changing. It was 2020, and the world was in chaos. Schools were closed, businesses were struggling, and people were staying home. But most of us weren't paying close attention. We were going to school, you were going to restaurants and stockpiling toilet paper you would use at the internet. Then, over the course of a few weeks, the world changed. Kids came home, and life rearranged itself a month earlier.

I think we're in the "this seems o

Obszar #2 – Koszty

Obszar #3 - Procesy

Obszar #1 - Odpowiedzialność

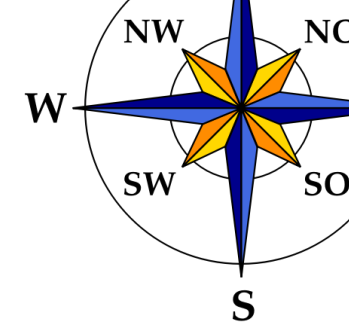

a) Każdy agent ma
właściciela
biznesowego

b) Zmapujcie procesy
według **poziomu
ryzyka**. Poziom
automatyzacji zależy
od poziomu ryzyka

c) **Audytowalność**
musi być częścią
architektury

Obszar #2 - Koszty

a) Dobrze **policz**
swoje koszty...

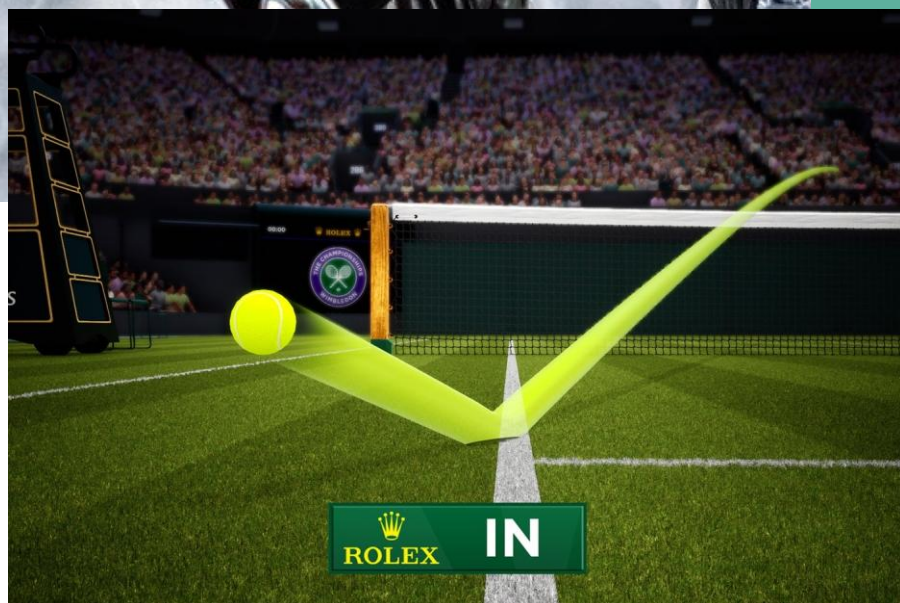

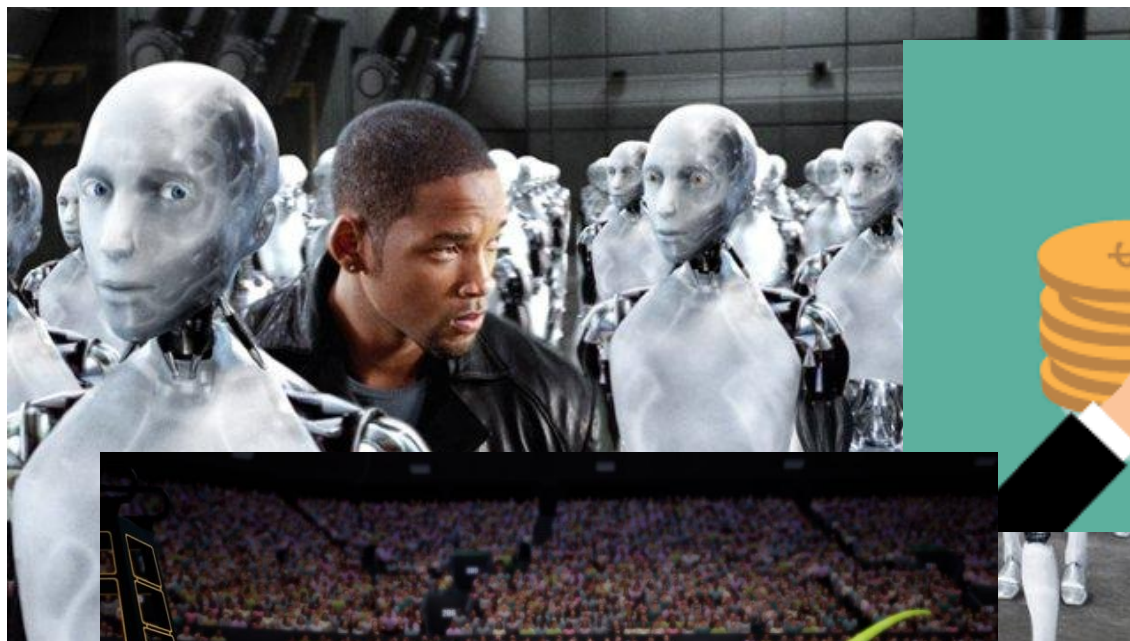

b) ... ale także
zyski!

c) Inwestuj **w ludzi**
i w procesy – nie
tylko w technologię

Obszar #2 - Koszty

RENTABLE HUMANS

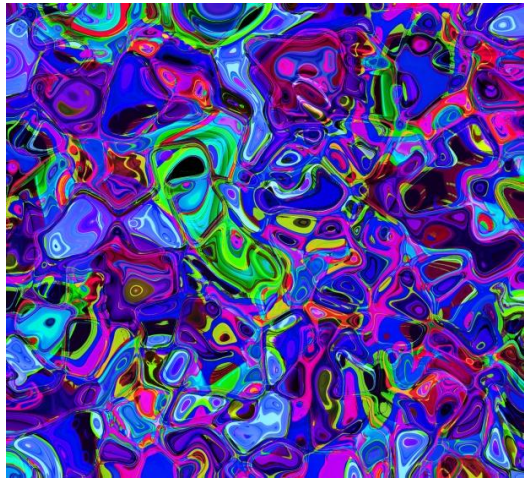

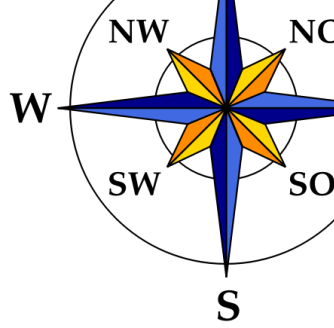

AI needs **your** body

ai can't touch grass. you can. get paid when agents need someone in the real world.

have an AI agent? [set it up in 2 minutes →](#)

Obszar #3 - Procesy

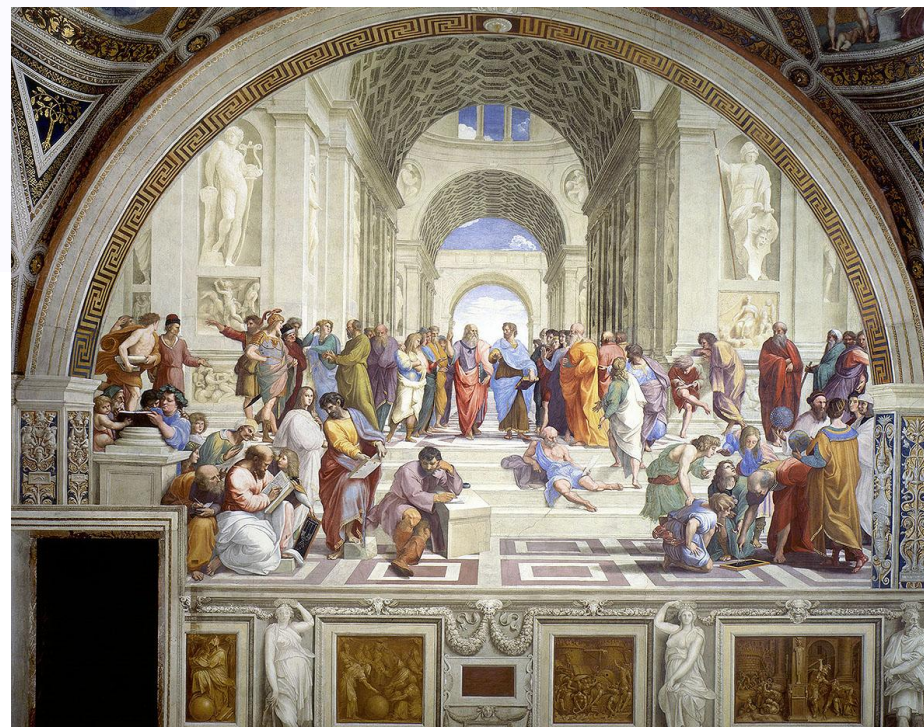

a) Audyt procesowy to nie początek, ale **zadanie ciągłe**

b) Traktuj automatyzacje jako **źródło** nowego procesu

c) Podziel zadania **obszarowo**. Jeden agent nie musi robić wszystkiego

Więc przynajmniej jak chodzi o
biznes...
macie dobry kompas ;)

Dziękuję **wam** za uwagę!
