

Trademark & Copyright Use Policy

UiPath is committed to respecting the intellectual property rights of others and we expect our customers, users and partners to comply with the same standards. This Policy is read together with the agreement between us and the end user/customer/partner (“you”) and the other applicable terms and conditions available on our trust portal (“ToU”).

If you want to use our trademarks, logos and/or UiPath proprietary copyrighted works, you must first get our consent by filling out the Trademark & Copyright Use Permission Form and sending it to us via your UiPath contact.

Once you get our consent and are free to use our trademarks and/or copyrighted works, you must follow the guidelines set out here and with any other instructions provided to you by UiPath.

UiPath’s trademarks and copyrighted works include brand names, logos, documentation, content displayed on UiPath’s websites and social media platforms, videos, images, sound clips, designs and any other materials protected under trademark and copyright laws.

Permitted uses of UiPath’s Trademarks

You must always use UiPath’s trademarks in accordance with [UiPath's Brand Guidelines](#). You agree to:

- use the trademarks only in the manner, for the purpose, and in the media described in the Trademark & Copyright Use Permission Form signed by UiPath;
- refer to UiPath’s trademarks in word form only to describe compatibility/interoperability between your products or services and those of UiPath, in a manner that does not suggest Your product or service is provided under the trademark of, or by, UiPath;
- include the symbols “®” or “™” on your first or most prominent reference to the trademark, as appropriate next to the trademark.

Any material including a trademark of UiPath must include the following trademark notice statement: “[insert UiPath trademark using the proper trademark symbol] is a trademark of UiPath, Inc. and UiPath SRL, and is used here with permission.”

Prohibited uses of UiPath’s Trademarks

You agree not to:

- use UiPath trademarks more prominently than Your company/product’s name;
- change or alter UiPath’s trademarks in any way, or combine it with any other symbol, word, image, design, trademark or other element, or otherwise alter it or incorporate it into a slogan;
- use the trade name in any way that implies affiliation with, sponsorship, endorsement or approval by UiPath of Your products and services;
- use UiPath’s trademarks as nouns or verbs;
- register UiPath’s trademarks as Google Ads or similar online advertising tools;
- use the trademark with objectionable material (e.g., illegal, defamatory or pornographic material), or to create derivative works based on the trademark;
- use UiPath’s trademarks in any way that is contrary to the above, good faith and fair competition principles;
- register any domain name containing UiPath’s trademarks, the word “UiPath” or the name of any UiPath Product or Service (or anything confusingly similar) and if you have done so you agree to transfer ownership of the domain name to UiPath at no charge;
- use or imitate UiPath’s trade dress, including the look and feel of UiPath’s websites, marketing materials, fonts, color schemes and imagery.

You may not display, use or incorporate any trademark of UiPath on your website, social media platform, promotional marketing, commercial or informational materials or otherwise in connection with your products or services without a license or a Trademark & Copyright Use Permission Form executed by UiPath.

Permitted uses of UiPath’s Copyrighted Works

You agree to:

- use UiPath’s copyrighted works only if expressly permitted by UiPath in writing under a Trademark & Copyright Use Permission Form or the ToU;

- include the following notice in any copy of UiPath's copyrighted works: "© 20XX UiPath, Inc., UiPath SRL. Used with permission."

Prohibited uses of UiPath's Copyrighted Works

You agree not to use, reproduce, distribute or create derivative works based on any (portion of) UiPath copyrighted work, without first receiving UiPath's express written permission under a Trademark & Copyright Use Permission Form or ToU. UiPath retains the right to modify or to revoke the permission granted to You in its sole discretion, unless provided otherwise in the ToU.

Some uses of UiPath's trademarks or proprietary copyrighted works may fall under a "fair use" exception. If you intend to use UiPath's trademarks or copyrighted works for commercial purposes and you are unsure whether a particular use falls under the "fair use" exception then you should seek permission from UiPath by filling-in, signing and submitting a Trademark & Copyright Use Permission Form to your UiPath contact.
