

CROOZER KID YUUNA

For up to two children; with accessories also to be used as a DOG or CARGO

Whether in the city or in the countryside: the new Croozer Kid Yuuna enables a car-free everyday life with child, dog and luggage! Take the little ones to daycare, then take the dog to the forest and then quickly do the shopping - the modular system of the Croozer Kid Yuuna saves annoying detours and offers all passengers a safe and comfortable journey!
