

September 29, 2026		September 30, 2026	October 1, 2026	October 2, 2026
Registration		Registration	Registration	Registration
ERN Workshop <i>Experimental Research on Networking</i>	SCIN Workshop <i>From Meaning to Intent: Semantic Communications and Intent-Based Networking</i>	Opening Session	FPS #3 <i>Traffic Forecasting and QoE Prediction</i>	FPS #5 <i>Network Performance Modeling and Optimization</i>
		Keynote #1 <i>From Sniffing Signals to Manipulating Reality: Air Interface Security in 5G and ISAC</i>		
Coffee Break		Coffee Break		
ERN Workshop <i>Experimental Research on Networking</i>	SCIN Workshop <i>From Meaning to Intent: Semantic Communications and Intent-Based Networking</i>	FPS #1 <i>Learning-Based Cyber-Defence</i>	Coffee Break	Keynote #3 <i>The SLICES-RI Post-5G Blueprint: Experimenting 6G Research Design at the Time of AI</i>
			Keynote #2 <i>6G Space-Terrestrial Integration: Pathways for Direct-to-Device</i>	
Lunch Break		Lunch Break + Demo Session	Lunch Break + Demo Session	Lunch Break
ERN Workshop <i>Experimental Research on Networking</i>	Tutorial #1 <i>Beyond Connectivity: SD-WAN for Edge Network Automation and Decision Intelligence</i>			FPS #2 <i>Cross-Layer Optimization and Security in IoT Networks</i>
		Coffee Break		
Coffee Break		Coffee Break	Coffee Break	Panel <i>Networks of the Future: 6G, AI, Emerging Technologies and Global Connectivity</i>
ERN Workshop <i>Experimental Research on Networking</i>	Tutorial #2 <i>Improving Wireless Next-Generation Industrial IoT (IIoT) Networks with Reinforcement Learning</i>	SPS #1 <i>AI for Network Operations, Security, and Reliability</i>	SPS #2 <i>AI-Native and Autonomous Network Management</i>	
		Welcome Reception <i>Roof Garden - Hotel Forum</i>	Visit of Trastevere and Conference Dinner
