## **Safety Precautions**

Always follow basic safety precautions when using this bike to reduce the chance of injury, fire, or damage. Other sections in this manual provide more details of safety features. Be sure to read these sections and observe all safety notices.

## **Owner Instructions**

- Follow all instructions in this guide before installing and using the bike and follow any labels on the bike.
- Use the bike only for its intended purpose as described in this manual. DO NOT use accessory attachments that are not recommended by Precor. Such attachments may cause injuries.
- DO NOT use outdoors.
- Assemble and operate the bike on a solid, level surface.
- Use the power adapter provided with the bike. Plug the power adapter into an appropriate, grounded power outlet as marked on the bike.
- Keep the power cord or optional power adapter and plug away from heated surfaces.
- Never operate this bike if it has a damaged cord or plug, if it is not working properly, or if it has been dropped, damaged, or exposed to water. Call for service immediately if any of these conditions exist.
- Route power cables so that they are not walked on, pinched, or damaged by items placed upon or against them, including the bike itself.
- Ensure the bike has adequate ventilation. DO NOT place anything on top of or over the bike. DO NOT use on a cushioned surface that could block the ventilation opening.
- **Spacing** These minimum spacing recommendations are based on a combination of the ASTM (U.S.) voluntary standards and EN (European) regulations as of October 1, 2012, for access, passage around, and emergency dismount: a minimum of 0.5 m (19.7 in.) on at least one side, and 0.5 m (19.7 in.) behind or in front of the bike.
- **Consider carefully the requirements of the Americans with Disabilities Act (ADA), US Code 28 CFR** (see Section 305). ASTM standards are voluntary and may not reflect current industry standards. The actual area for access, passage around, and emergency dismount is the responsibility of the facility. The facility should consider the total space requirements for training on each unit, voluntary and industry standards, and any local, state, and federal regulations. Standards and regulations are subject to change at any time.  
**Important** *These spacing recommendations should be used when positioning bike away from sources of heat, such as radiators, heat registers, and stoves. Avoid temperature extremes.*

- Never leave the bike unattended when it is plugged in. Unplug the bike from its power source when it is not in use, before cleaning it, and before providing authorized service.
- **Note** The optional power adapter is considered a power source for self-powered bikes.
- DO NOT operate the bike where aerosol (spray) products are being used or where oxygen is being administered.
- If you plan to move the bike, obtain help and use proper lifting techniques.
- Maintain the bike to keep it in good working condition, as described in the Maintenance Guide. Inspect the bike for incorrect, worn, or loose components, and then correct, replace, or tighten prior to use.
- DO NOT attempt to service the bike yourself, except to follow the maintenance instructions in the Maintenance Guide.
- DO NOT allow children, or people unfamiliar with the operation of this bike, on or near it. DO NOT leave children unsupervised around the bike.
- Make sure all users wear proper exercise clothing and shoes for their workouts and avoid loose or dangling clothing. Users should not wear shoes with heels or leather soles, and they should check the soles of their shoes to remove any dirt and embedded stones. They should also tie long hair back.

**CAUTION**

**DO NOT remove the cover or you may risk injury due to electric shock. Read the assembly and maintenance guides before operating. There are no user-serviceable parts inside. Contact Customer Service if the equipment needs servicing. For use with single-phase AC power only.**

**User Instructions**

Before beginning any fitness program, you should obtain a thorough medical exam from your physician, particularly if you have high blood pressure, high cholesterol, or heart disease; have a family history of any of the preceding conditions; are over the age of 45; smoke; are obese; have not exercised regularly in the past year; or are taking any medication.

When exercising on the bike, you should always take basic precautions, including the following:

- Read, understand, and test the emergency stop procedures before use.
- DO NOT allow children under the age of 16 to use the bike.

**! IMPORTANT**

*The heart rate feature is intended for reference only. It may not be accurate for every user or at every speed and is not intended for use as a medical device. Please also read your product documentation and visit: [www.precor.com/en-us/customer-service/faq](http://www.precor.com/en-us/customer-service/faq).*

- Precor cannot guarantee that the heart rate measurement system on its products will work for all exercisers in all instances. Heart rate measurement accuracy varies based on a number of factors, including the exerciser's physiology and age, the method in which the equipment and the heart rate measurement system is used, external interference, and other factors that may influence heart rate acquisition and processing.
- DO NOT allow children, or people unfamiliar with the operation of this bike, on or near it. DO NOT leave children unsupervised around the bike.
- For commercial bikes:  
Release all tension from the resistance knob after each use to allow for perspiration to evaporate. If bikes are used in a class setting, the instructor should direct class participants to release all tension from the resistance knob after each use.
- For bikes used in a home setting:  
Wipe down the bike after each use. Pay special attention to the area under the resistance knob. When done, turn the resistance knob clockwise (+) to put tension on the flywheel so that the pedals DO NOT rotate freely. When the bike is not in use, always keep some resistance on the flywheel.
- Care should be taken when mounting or dismounting the bike.

- You must gradually slow your pedal strokes to slow the bike. To stop immediately, firmly press down the resistance knob. **DO NOT dismount the bike until the pedals and flywheel have come to a complete stop and there is resistance on the flywheel.** Failure to follow these safety instructions can result in serious personal injury.
- Hold onto a handlebar while assuming the starting position on the bike.
- Face the console and do not lean on or pull on the console at any time.
- DO NOT use outdoors.
- Heart rate monitors are not medical devices. Various factors, including the exerciser's movement, may affect the accuracy of the heart rate readings. The heart rate monitors are intended only as exercise aids in determining heart rate trends in general.
- Hold on to the handlebar with one hand whenever you operate the console keys with the other hand.
- Never turn the crank arms by hand.
- Never drop or insert objects into any opening. Keep hands away from moving parts.
- DO NOT set anything on the handlebars, control console, or covers. Place liquids, magazines, and books in the appropriate receptacles.
- Weight Restriction: The weight limit is 350 pounds (160 kg).
- Practice riding the bike using all hand positions and the standing position before you attempt to ride at higher speeds.
- Wear proper exercise clothing and shoes for your workouts and avoid loose or dangling clothing. Tie long hair back.
- Wear proper footwear when using the bike. Never use bare feet with the bike. DO NOT wear shoes with heels, and check the soles of your shoes to remove any dirt and embedded stones.
- If your foot comes out of the toe strap or toe clip, firmly press down the resistance knob to stop the flywheel and pedal motion before you reposition your foot and tighten the toe straps or reposition your shoe in the toe clip.

Customer participation is important to minimize any potential effects of EEE on the environment and human health due to the potential presence of hazardous substances in EEE. ## **Binding Arbitration Agreement; Class Action Waiver (U.S. Residents Only)**

TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, UNLESS YOU HAVE BROUGHT AN ELIGIBLE INDIVIDUAL CLAIM IN SMALL CLAIMS COURT OR HAVE OPTED OUT AS DESCRIBED BELOW, ANY CONTROVERSY OR CLAIM RELATING IN ANY WAY TO YOUR PRECOR PRODUCT, INCLUDING ANY CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THIS WARRANTY, A BREACH OF THIS WARRANTY, OR THE PRECOR PRODUCT'S SALE, CONDITION OR PERFORMANCE, WILL BE SETTLED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION AND CONDUCTED BY A SINGLE ARBITRATOR APPOINTED BY THE AMERICAN ARBITRATION ASSOCIATION, IN ACCORDANCE WITH ITS COMMERCIAL ARBITRATION RULES AND ITS SUPPLEMENTARY PROCEDURES FOR CONSUMER-RELATED DISPUTES. You may learn more about the American

Arbitration Association and its rules for arbitration by visiting [www.adr.org](http://www.adr.org) or by calling 800-778-7879. Since this warranty concerns a transaction in interstate or international commerce, the Federal Arbitration Act will apply.

To the greatest extent permitted by applicable law, the filing fees to begin and carry out arbitration will be shared between you and Precor, but in no event will your fees ever exceed the amount allowable by the American Arbitration Association, at which point Precor will cover all additional administrative fees and expenses. Precor waives its right to recover attorneys' fees in connection with any arbitration under this warranty. If you are the prevailing party in an arbitration to which the Supplementary Procedures for Consumer-Related Disputes applies, then you are entitled to recover attorneys' fees as the arbitrator may determine.

The dispute will be governed by the laws of the state or territory in which you resided at the time of your purchase (if in the United States). The place of arbitration will be King County, Washington, or your county of residence (if in the United States). The arbitrator will have no authority to award punitive or other damages not measured by the prevailing party's actual damages, except as may be required by statute. The arbitrator will not award consequential damages, and any award will be limited to monetary damages and will include no equitable relief, injunction, or direction to any party other than the direction to pay a monetary amount. Judgment on the award rendered by the arbitrator will be binding and final, except for any right of appeal provided by the Federal Arbitration Act, and may be entered in any court having jurisdiction. Except as may be required by law, neither you nor Precor nor an arbitrator may disclose the existence, content, or results of any arbitration under this warranty without the prior written consent of you and Precor.

TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, ANY DISPUTE, WHETHER IN ARBITRATION, IN COURT, OR OTHERWISE, WILL BE CONDUCTED SOLELY ON AN INDIVIDUAL BASIS. PRECOR AND YOU AGREE THAT NO PARTY WILL HAVE THE RIGHT OR AUTHORITY FOR ANY DISPUTE TO BE ARBITRATED AS A CLASS ACTION, A PRIVATE ATTORNEY GENERAL ACTION, OR IN ANY OTHER PROCEEDING IN WHICH EITHER PARTY ACTS OR PROPOSES TO ACT IN A REPRESENTATIVE CAPACITY. NO ARBITRATION OR PROCEEDING WILL BE JOINED, CONSOLIDATED, OR COMBINED WITH ANOTHER ARBITRATION OR PROCEEDING WITHOUT THE PRIOR WRITTEN CONSENT OF ALL PARTIES TO ANY SUCH ARBITRATION OR PROCEEDING.

## Exceptions to Binding Arbitration Agreement and Class Action Waiver

IF YOU DO NOT WISH TO BE BOUND BY THE BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER, THEN: (1) you must notify Precor in writing within sixty (60) days of the date that you purchased the bat; (2) your written notification must be mailed to Precor Incorporated at 20031 142nd Avenue NE, Woodinville, WA 98072, Attn: Legal Department; and (3) your written notification must include (a) your name, (b) your address, (c) the date you purchased the product, and (d) a clear statement that you wish to opt out of the binding arbitration agreement and class action waiver. In addition, you may pursue an individual claim in small claims court in your county of residence (if in the United States) or in King County, Washington. In such case the provisions of the section titled "Binding Arbitration Agreement; Class Action Waiver (U.S. Residents)" will not apply, but the rules and limitations of the small claims court shall apply.

## EXCLUSION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES

PRECOR AND/OR ITS SUPPLIERS SHALL HAVE NO OBLIGATION OR LIABILITY, WHETHER ARISING IN CONTRACT (INCLUDING WARRANTY), TORT (INCLUDING ACTIVE, PASSIVE, OR IMPUTED NEGLIGENCE AND STRICT LIABILITY), OR OTHERWISE, FOR DAMAGE TO THE EQUIPMENT, PROPERTY DAMAGE, LOSS OF USE, REVENUE OR PROFIT, COST OF CAPITAL, COST OF SUBSTITUTE EQUIPMENT, ADDITIONAL COSTS INCURRED BY BUYER (BY WAY OF CORRECTION OR OTHERWISE) OR ANY OTHER INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM NONDELIVERY OR FROM THE USE, MISUSE OR INABILITY TO USE THE PRODUCT. This exclusion applies even if the above warranty fails of its essential purposes and regardless of whether such damages are sought for breach of warranty, breach of contract, negligence, or strict liability in tort or under any other legal theory. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.
