

St. John Neumann Case Study

Having a tough time  
filling your weekend  
nursing shifts?

**SHIFTMED HAS  
YOU COVERED.**

## CASE STUDY ST. JOHN NEUMANN CENTER

### PROBLEM

St. John Neumann Center is a 226-bed skilled nursing facility in Philadelphia, Pennsylvania.

The center didn't have enough employees to cover its weekend shifts but was hesitant to use a healthcare staffing agency due to reliability concerns.

### SOLUTION

ShiftMed has a fast-growing nationwide network of credentialed CNAs, LPNs, and RNs ready to work on demand.

St. John Neumann uses our Portal to fill weekend shifts with local talent on a recurring basis.

Recurring Shifts is our *set-it-and-forget-it* feature that lets facilities post repeating shifts for up to 28 days.

Partnering with ShiftMed gives St. John Neumann the peace of mind that their patients will receive quality, continuous care on the weekends.
