Dadd9 *Em9* *G* *D/F#* *Em9*

you left gleaming a green rectangle around the door please be careful what you wish for

Dadd9 *Em9* *G* *D/F#* *Em9*

i whisper to myself then i'm spinning it half around like an echo a faraway sound

D *G* *D/F#* *D* *G* *D/F#*

saying be good to me be good to me

Dadd9 *Em9* *G* *D/F#* *Em9*

Dadd9 *Em9* *G* *D/F#* *Em9*

marigold in the garden my heart is out in the garbage i am being an alarmist

Dadd9 *Em9* *G* *D/F#* *Em9*

cuz for as far as i see is terrible territory & there's no one to reassure me

D *G* *D/F#* *D* *G* *D/F#* *D* *G* *D/F#*

so it would be good to talk for my sanity now do what you feel like you gotta do but be good to me

G/D *A11/E* *Bm* *Em9* *G/D* *A11/E* *Dadd9* *Em9*

G/D *A11/E* *Bm* *Em9*

when i walk away you still exist & i feel good knowing it if it hurts me why'd i rely so much on in the first place

G/D *A11/E* *Dadd9* *Em9*

if it hurts me why'd i rely so much on in the first place

G/D *A11/E* *Bm* *Em9*

if it's happening then why's this feeling taking over me

G/D *A11/E* *Dadd9* *Em9*

can i believe in the me before i knew you beautifully

G/D *A11/E* *Bm* *Em9*

can i believe in the me before i knew you beautifully

can i believe in the me before i'm lost on yesterday

can i believe in the me before i knew you beautifully
