 C^{add9} G   Em⁷ G^{add9}/B   G C^{add9}   G

all my limits i'm on my feet i'm on my way i'm wandering

it's easy enough though to lie myself back down it's simple it's like i just remember how

 C^{add9} G   Em⁷ G^{add9}/B   G C^{add9} G

all my limits've held me back i hold my head & i let it ask

why i'm altogether down & when will it end now?

it's easy enough to lie to myself, my eye, my carnivore, circling appetite

 C^{add9} G Em⁷ G^{add9}/B   G C^{add9} G

all my limits i'm on my feet i'm on my way i'm wandering

i'm wondering why i'm altogether down & when will it end now?
