i woke up grinding my teeth with you next to me just smiling

A7 Cadd9 G Cadd9 G Cadd9 D Cadd9

my friend through hairpin bends you do upend my island

G Cadd9 Em7 Cadd9

through infidel skies through asphodel eyelids

G Am7 G/B G Cadd9

one eye at a time i can't wait to go home

D Cadd9 G Cadd9

to be there when the new world comes

A7 Cadd9 G Cadd9 G Cadd9 D Cadd9

i woke in startling light then it became night just as suddenly

A7 Cadd9 G Cadd9 G Cadd9 D Cadd9

i'll be as true as i can through this circumstance but it's tiring

G Cadd9 Em7 Cadd9

through zinfandel eyes through infinite aisles

G Am7 G/B G Cadd9

one mile at a time i can't wait to go home

D Cadd9 Em7 Cadd9

to be there when the new world comes

D Cadd9 G

to forget where the old world was
