 is life kicking up dust right now? has life given up for you right now as well? o what is life giving us?

C *Fmaj⁹* *C* *Fmaj⁹* *G* *Fmaj⁹*
 i wake up & feel totally the same i woke up the same as yesterday with no news of any kind

C *Fmaj⁹* *C* *Fmaj⁹* *G* *Fmaj⁹*
 the long morning, the wide afternoon & then night could be coming soon too but when it finally does

C *F* *G* *F* *C* *F* *G* *F*
 it's endless

C *Fmaj⁹* *Am⁷* *Fmaj⁹* *Dm* *Fmaj⁹*
 but it's an honor to feel this way to feel the color of the longest day cuz it's a shadow that many know

C *Fmaj⁹* *Am⁷* *Fmaj⁹*
 & well it's feeling pretty bad to me but i don't think it goes on endlessly

G *Fmaj⁹*
 but the horizon's lifting away from me & it seems

C *F* *G* *F* *C* *F* *G* *F*
 endless

C *F* *G* *F*
 when this is over when this is under a foot of water hold me forever

C *F* *G* *F*
 hold me forever when this is under when this is over hold me forever

C *F* *G* *F*
 when this is over when this is under a foot of water hold me forever

C *F* *G* *F* *C*
 hold me forever when this is under when this is over hold me forever
