Team Information - Please complete the following information for your team members and what they plan on attending. Note the team does not have to travel together and attend the training and conference. Each team member can choose to attend the portion that is of interest to them. Three rooms will be provided to the team and additional rooms if available, all rooms will be paid by NIFSC and additional rooms will be provided if you do not have an equal number of male/female members on your team except for couples who choose to share a room. Please note individuals must also register online for the training & conference. [Conference click here](#) - [Training click here](#)

Travel Request - Teams will submit a travel budget request and NIFSC will complete the form and provide a travel budget. Any additional expenses will be considered such as airport parking, etc. If you are flying submit your expected travel costs and if you are driving submit your expected mileage to/from Richmond BC (NIFSC will provide a travel budget for 2 vehicles). Per diems will be provided post event based on meals not provided at the training, conference or NFC and travel days. All per diems (meals) will be paid by NJC Travel Rates, no meal receipts are required, if driving no fuel receipts are required. If your travel requires additional days and hotels due to remote locations, please add additional information in the box below.

Additional Information	
-------------------------------	--

	Estimated Mileage to/from Airport or NFC	
--	---	--

Please note – failure to attend any sessions or behavior that disrupts any of the events or the hotel guests will result in the team forfeiting their travel reimbursement. If any of your team members have any issue with attending the events registered for, contact us immediately and all reasonable reasons for failure to attend will not result in any travel reimbursement penalty.
