

ATTIC BOX GAMES
UPDATE
JUNE 2026

GENERAL

Welcome, to the February edition of our monthly update. An easy way to follow the game's progress every now and then.

- It has been a slow month for the development of Seek. But you know, sometimes you need to just take a step back, take a breather and get back in the seat recharged.
We have all enjoyed a nice summer break and feel recharged to go back to business.

HIGHLIGHTS

This section shows the “highlights” of the team’s effort this month. These achievements can also be seen as milestones we’ve reached that significantly impacted the development progress in a good way.

Development on the new demo

Our current goal is to finalize a demo of the game, in order to present this on our new Steam page. This month we have had many good brainstorm session on what we think this demo should look like. Afterwards we have made a good effort to implement a good bunch of those ideas.
