Correspondingly, the organizer assumes this responsibility during the closed-door period.
- 2) The display items in the exhibition venue are supposed to be able to be freely touched by the visitors, in order to make the visitors fully experience the good design. Therefore, considering the large number of visitors during the exhibition period, winners shall take necessary security and protective measures such as acrylic covers and wire installations, by themselves.
- 3) Winners have half an hour to prepare before the exhibition opens each day. Please make use of it if necessary.
- 4) For the loss and accident caused by unavoidable forces like natural disasters, the organizer assumes no responsibility.
- 5) Winners shall pay close attention during the installation, dismantlement, and related process of the display items to prevent accidents. Moreover, the organizer may restrict, suspend, or demand the winners to change the operation, if the operation was judged to be risky by the organizer from the perspective of accident prevention.

2. Matters Which Fall Under the Winner's Responsibility

Winners and related parties shall observe the rules prescribed in this guide. Moreover, the organizer may make alterations to these rules under some unavoidable circumstances.

- 2) Due to the overall noise countermeasures of the venue, please set the sound, etc. to silent mode.
- 3) During the exhibition period, the venue will be electrified for 24 hours. On condition that the display items would get hot after being electrified for a long time, please inform the staff on the installation day so that the staff can prepare a switch to turn the power on and off easily.

Winners shall take away all the stuff including the waste in the space. If by any chance any materials were left in the display space, the organizer will dispose of them and charge a disposal fee later.
- 2) Restoration of the display space
The display space shall be returned to its original condition before November 5, 13:00. If the organizer had to take care of the display space in place of the award winner due to the insufficient or late restoration of the space, the organizer will charge a restoration fee later.

6. Photo Shooting in the Venue (During the Exhibition Period)

- 1) Photo shooting by visitors
To broadly share the good designs with society, the organizer does not regulate visitors' photo shooting in the venue.
- 2) Photo shooting by award winners
