Enjoy being Shipwrecked at Palm Springs Yacht Club

A full day of pampering and relaxation begins as soon as we welcome you aboard! As you and four of your closest friends get ready to embark on this excursion, we welcome you to enjoy a thimble-sized shot of cucumber infused vodka. Once aboard you will all be joining The Commodore for morning mimosas, fresh croissants, and chocolate covered strawberries. After we are underway, you will start your excursions with 60 minute massages, followed by 60 minute hydrating facials, and finishing up with your choice of either a sugar or salt scrub, wrap, pedicure or manicure.

Once everyone is completely relaxed and rejuvenated and it's time to return home, the group will be leaving with a parting gift from PSYC so you can always remember the day you got Shipwrecked.

MANIFESTO

We believe in the American country club experience:
mixed doubles, a long steam, and a stiff cocktail.

We believe in inner beauty.
But, do what you can on the outside.

We believe in old-world etiquette and new age simplicity.

We believe you can swim right after you eat.

We believe we should trust those seeking enlightenment
and doubt those who claim to have found it.

We believe the earth is three-quarters water,
and your body is three-quarters water, and...
this is purely coincidence.

We believe in good sport as well as fitness:
Pétanque and Pastis, Pimms Cup and Croquet,
Snooker and single malt whiskey.

We believe you are only young once...
but you can be immature forever.
