### SERMON DISCUSSION QUESTIONS

1. Share YOUR GOD STORY (5 min Testimony) with your HC.
2. What stood out to you the most from this week's message and why?
3. Whose opinion matters most to you most frequently—e.g., God's, Others', or your own?
4. In what ways does your fear of people show up in your life—e.g., anxiety, hypocrisy, jealousy, and etc.?
5. Living with fear of people equates to idolatry. So, let's take time to repent of our idolatry in those moments when we gave greater worth and weight to others' opinion of us more than we did to God's.
6. We learned that living with the fear of the Lord—i.e., trusting in the Lord—protects us from the snare of fear of people. Read Romans 8:38-39 to remember and be reassured of the security of God's undeserving, unswerving love for us that is ours in Jesus Christ forever. Let's take a moment to praise and thank God for the gift of His Son, the Wisdom of God, who has set us free from the snare of fear of people.
7. PRAYER:  
Let's pray for the hurting world, our country, our city, leaders, the churches in our city, Binnerri, Lighthouse, Children & Youth, and our spiritual leaders, God's provision and guidance during our transition leading to the next chapter at McKinney campus, cultivating a growing heart to reach VIPs and learning to love one another through house churches, and our Spirit-filled, Christ-exalting Sunday worship.
