The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit Publicis Connection - bswift.com or call 1-833-313-2025. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	<u>Network</u> *: \$3,400 Individual / \$6,000 Family Non- <u>Network</u> *: \$5,700 Individual / \$11,400 Family per calendar year. * <u>Deductibles</u> cross-apply	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Preventive Care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No, there are no other <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this <u>plan</u> covers.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	For <u>network provider</u> *: \$6,550 Individual / \$13,100 Family For out-of- <u>network providers</u> *: \$13,100 Individual / \$26,200 Family per calendar year *Out-of-pockets cross-apply	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>prior authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.welcometouhc.com or call 1-833-313-2025 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
