

Designed to Make Surgery Simple

What is SurgeryPlus?

SurgeryPlus is part of your medical benefits provided to Compass Group associates. It is available to you and your family members who are enrolled in an eligible medical plan.

SurgeryPlus Experience:

Call Your Care Advocate

Your Care Advocate will provide you with a list of expert surgeons and help you organize details related to your surgery.

Schedule Your Surgery

One of **our Top Surgeons** will take time to explain your procedure to you and provide you with the best surgical care for your condition.

Receive the Best Care

With SurgeryPlus, you will know your surgery is being handled by a highly qualified surgeon allowing you to return to work and life faster.

We make it easy to take the first step to better health.
