Good things in life happen every day, and unfortunately, accidents happen too. When they do, we can help protect you.

When You Need It Most

Chubb Accident provides coverage if you are accidentally injured and need treatment, whether you go to a physician’s office, urgent care center, emergency room or use telemedicine services. There are no restrictions on how your money can be used.

Accident Insurance Benefits Include

First Accident

Pays you \$100 soon after you report your first claim for covered benefits. If you get injured, we can begin processing your claim right over the phone so you can get cash fast.

Sports Package

Playing sports can lead to injuries and unwelcome expenses. We’ll increase your benefit 25%, up to \$1,000 per person per year, for injuries resulting from participating in organized sports.

Telemedicine Services Benefit

With this benefit, you will no longer need to leave your home for a doctor’s visit. We’ll pay you a \$75 benefit if you receive consultation with a physician for a covered accident via audio or video communication.

Rehabilitation Package

We pay cash benefits for admission, daily confinement and recovery. Whether you’re released to a Rehabilitation Center following a hospital stay or you recover at home, we pay a daily recovery benefit to help with your transition. We’ll even pay for a residence/vehicle modification and therapy, including physical, occupational and speech.

Health Screening Benefit

Be proactive with your health with preventive care. This benefit pays you \$100 for undergoing a covered health screening test, immunization, eye exam, routine physical or well-child/preventive exam.
