

Your Benefits Open Enrollment Guide 2026

About Your Open Enrollment Materials: The changes described in this guide serve as a summary of certain amendments to the Broadridge Financial Solutions Inc. Health and Welfare Benefits Plan (the “Plan”), also known as a Summary of Material Modifications (“SMM”). It is intended to provide you with an easy-to-understand explanation of the amendments to the Plan as of January 1, 2026. In addition, the content in this guide amends the Summary Plan Description (“SPD”) for the Plan. Keep this guide with your SPD so that you have current information about your benefits. Neither this guide nor the SPD contains complete Plan details. Those details are included in the official Plan documents, which may be amended from time to time. The official Plan documents legally govern the terms and administration of the Plan and your rights and responsibilities under the Plan. Reasonable efforts have been made to ensure the accuracy of the information contained in this guide. However, if there is a difference between what is written here and the Plan documents, the Plan documents will always prevail. Broadridge Financial Solutions, Inc. (“Broadridge”) intends to continue its health and welfare plans; however, Broadridge reserves the right to amend, suspend, discontinue contributions to and/or terminate any plan or benefit at any time for any reason (and each participating company in the Plan likewise reserves the right to suspend its participation, discontinue contributions to, and/or terminate its participation in the Plan). This guide is not an offer or contract of continued employment with Broadridge (or any participating company of any plan Broadridge sponsors).

Welcome to Open Enrollment for your 2026 benefits.

This is the time of year to review your benefits options and make any changes for 2026. It's also a great time to explore the programs offered to support your overall well-being.

This guide is designed to help you determine which plans will best fit your individual and family needs. It also details the resources available to help you make wise benefit decisions. By reading it thoroughly and sharing it with your family, you'll be ready to make the most of the benefits and programs offered by Broadridge.

An Overview of What's New and Changing for 2026

Benefit / Program	2026 Overview
Payroll Deductions	
Payroll Deductions	As a result of the payroll and timekeeping systems enhancements effective January 1, 2026, your deductions for benefit coverage will change to coincide with the new pay frequencies. Hourly associates will have weekly payroll deductions and salaried associates will have semi-monthly deductions. When comparing your 2025 deductions with your 2026 deductions, you will see differences in amounts partially due to this change.
Administrative Change	
Leave of Absence and Disability	MetLife will be the new administrator of our leave of absence and disability programs. If you have a leave of absence that starts on or after January 1, 2026, you will apply with MetLife and they will handle your claim. Leaves that begin on or before December 31, 2025, will continue to be administered by Prudential. For more details, see the mailer sent to homes.
Health – All medical plan options	
Wig Benefit	The wig benefit will increase to \$1,000 per year.
Teladoc	The copay when you use General Care and Caregiver consult services through Teladoc will increase from no more than \$56 to no more than \$58.
Extended Medical Program	The Extended Medical Option has been discontinued and is no longer available to associates or their dependents who were not enrolled as of June 11, 2025. Learn more on page 10 .
Hinge Health (available now)	Hinge Health is available at no cost to those enrolled in a Broadridge medical plan option. This program offers virtual physical therapy to help reduce everyday joint and muscle aches, aid in injury recovery, improve mobility, relieve pelvic pain and more.
Other Health Benefits	
Voluntary Health Coverages	There are enhancements to the Group Accident, Critical Illness and Hospital Indemnity voluntary coverages. Learn more on page 18 .
Dental	
PPO Option	The Dental PPO network is expanding and will now include new providers through the Extended Network. Learn more on page 21 .
Financial	
Health Care and Limited Purpose Flexible Spending Accounts (FSAs)	The contribution limit will increase from \$3,200 to \$3,300
Dependent Care Flexible Spending Account (FSA)	The contribution limit will increase from \$5,000 to \$7,500
Health Savings Account (HSA)	IRS maximum contribution limits will increase from \$4,300 to \$4,400 for associate only coverage and \$8,550 to \$8,750 for associate plus one or more coverage.

An Overview of What's New and Changing for 2026

Benefit / Program	2026 Overview	
Financial		
Short-Term Disability (STD)	The STD payment tiers will be enhanced as follows:	
	Current leaves	Leaves that begin on or after January 1, 2026
	100% for 9 weeks	100% for 10 weeks
	80% for 8 weeks	80% for 16 weeks
	60% for 8 weeks	No change
	In addition, once you have been out on a leave for your own condition for seven consecutive calendar days, your one-week elimination period will be retroactively covered, and you will receive one week of leave pay going back to the start of your leave. Hourly associates will not need to use vacation or sick time to cover the elimination period and salaried associates will no longer need to use Flexible Paid Time Off (FPTO).	
Long-Term Disability (LTD)	Those associates who were previously eligible for a 60% Company-paid LTD benefit through the grandfathered LTD program will be offered Basic LTD (Company paid) that covers 40% of monthly base salary, up to \$15,000 per month, with a 180-day elimination period. They will also have the option to elect associate-paid Buy-Up LTD to receive an additional 20% of coverage, for a benefit of 60% of covered monthly base salary, up to a monthly maximum benefit of \$22,500. Grandfathered associates will not need to complete EOI for this enrollment year.	

Important Enrollment Information

The elections you make during Open Enrollment will be effective from January 1, 2026, through December 31, 2026. Once Open Enrollment ends, you cannot make changes during 2026 unless you experience a qualifying life event.

Be sure to take the following action:

Consider Your Needs and Learn More About Your Options

- **Understand the personal needs of your family.**

If your family status has changed, such as through marriage or a new child, your benefit needs may have changed. Carefully review your options to see if you need to make adjustments or add coverage. If you or a family member are facing a health concern, you may want extra coverage. Check out some of the voluntary programs that offer you an added layer of protection.

And it's always a good idea to think about your budget. That's where participating in some of our money-saving plans, like the Health Savings Account (HSA) and Flexible Spending Accounts (FSAs), can add value.

- **Review and understand your options and what's new for 2026.** This guide provides an overview of your choices for 2026. Read it carefully and share it with your family so you're prepared to enroll.

- **Use ALEX.** ALEX, the online benefits counselor, is a simple-to-use tool that walks you through your anticipated needs for 2026 to help you choose the best plans for you. Take the time to access the tool by visiting [ALEX](#).

You are eligible for most benefits if you are a regular associate scheduled to work at least 20 hours per week.

The bswift Mobile App

The bswift mobile app offers a streamlined, intuitive mobile experience for all your benefits management needs. Make smart and timely benefit decisions quickly and easily no matter where you are. Decide If You Need to Take Action

You should take action during Open Enrollment if you want to:

- **Enroll in or change your current medical, dental or vision elections for 2026.*** This includes adding or updating the dependents you want to cover in 2026.
- **Contribute to the Health Care, Limited Purpose or Dependent Care Flexible Spending Accounts (FSAs).** Your 2025 election amounts will not automatically carry forward to 2026.
- **Elect to participate in the Health Savings Account (HSA) or change your contribution rate if you are currently participating.***
- **Evaluate your life insurance and AD&D needs and elect or change your coverage.***
- **Designate or update your life and AD&D insurance beneficiaries.** Designate your beneficiaries at BroadridgeBenefits.com.
- **Enroll in any of the other voluntary plans available to you, if not already enrolled.***
- **Make a Vacation Flex election (non-exempt/hourly employees only).** Your 2025 elections will not carry forward.

** If you take no action, your 2025 elections will automatically carry forward.*

How to Enroll

Enroll in all benefits (except for auto and home insurance) and check and designate your beneficiaries by visiting BroadridgeBenefits.com or by downloading the bswift mobile app.

To get started, log in to BroadridgeBenefits.com.

- If you don't have regular access to your Broadridge e-mail, contact the Benefits Service Center at **+1 877 631 0059** and they can assist you with adding an alternate email address to your profile so that you can proceed with logging in online. Representatives are available Monday through Friday, from 8:00 a.m. to 8:00 p.m. ET. If you're not comfortable enrolling online and prefer to enroll by phone, contact the Benefits Service Center. If you need help with translation, that's available as well. Keep in mind, you must complete the online enrollment to make your Health Savings Account election.
- When you log in to the site, be sure to set your preferences of how you want to receive communications (online or print), as well as provide a personal/alternate email address in your user profile, if desired.

Important Enrollment Information

If You Don't Enroll

If you don't enroll during the Open Enrollment period, you will have the following coverages:

Benefit	2026 Default Coverage
Broadridge-Provided Coverages – Basic Life, AD&D, STD and Basic LTD	Automatic
Medical Dental Vision Voluntary Life and AD&D Group Accident Group Critical Illness Hospital Indemnity Buy-up LTD* Group Legal ID Theft Pet Discount	Same coverage as 2025
Health Savings Account (HSA)	Same contribution rate as 2025 <i>Note: You can start, stop or change your contribution rate at any time</i>
Flexible Spending Accounts (FSAs) Vacation Flex	No coverage

You can enroll in or drop your coverage in Auto and Home at any time by visiting VoluntaryBenefits.Broadridge.com.

** If you are enrolled in Long-Term Disability coverage that is being eliminated in 2026, you must enroll in Buy-up LTD during Open Enrollment to have enhanced coverage.*

If you leave Broadridge, your medical, dental, and vision coverage will terminate at the end of the month in which your employment at Broadridge ends.

If You Are a New Hire

If you are a new hire and have not made your benefit elections for 2025, you'll need to make your elections for both 2025 and 2026 when you enroll:

- Your new hire elections for 2025 will be effective through December 31, 2025.
- Your Open Enrollment elections for 2026 will be effective from January 1, 2026, through December 31, 2026.

Medical Coverage

Your medical coverage is essential for keeping you healthy today, as well as protecting you if you are ill or injured. Broadridge offers you three medical plan options administered by Aetna: Traditional Choice Plus, SavingsPlus HSA and Basic Plus.

All of the medical plan options have the following features:

- Access to the same network of Aetna providers.
 - The Basic Plus medical plan option features a Tier 1 network – ACPN+. Although you have access to the wider network of Aetna providers, you pay more if you use providers outside of the Tier 1 network.
- Preventive care services covered at 100% when received from an in-network provider.
- Prescription drug coverage automatically through CVS Caremark®.
- The availability of other programs and resources to help you meet your needs and manage your care, including:
 - Cancer care through [MSK Direct](#).
 - Telehealth for general, dermatology and behavioral health needs through [Teladoc](#).
 - Diabetes management through [Livongo](#).
 - Access to [2nd.MD](#) for second opinion services, health education and claims advocacy.
 - Virtual physical therapy through [Hinge Health](#).
 - Family planning through [Maven](#).

Enrollment Tip – Choosing Your Medical Plan Option

When you're deciding which medical plan option is right for you, be sure to consider both what you'll pay in premiums each year, as well as what you are expecting to pay for care you may need throughout the year. Be sure to visit [ALEX](#), your online benefits counselor, who can walk you through your expected costs step by step.

Finding Aetna In-Network Providers

For **Basic Plus**:

- To find an in-network provider, [click here](#).
- Enter your zip code and continue as a guest to search for providers. Providers with “**maximum savings**” banners are Tier 1 providers and will offer the greatest savings. All others listed will be Tier 2 providers.

For **Traditional Choice Plus** and **SavingsPlus HSA**:

- To find an in-network provider, go to [Aetna.com](#) and at the top of the screen, choose **Find a doctor**.
- Under Guests, choose **Plan from an employer**.
- Under **Continue as guest**, enter your zip code and click **Search**.
- Under **Select a Plan**, scroll down and select **Aetna Choice® POS II (Open Access)**.
- Click on the radio button for the plan option that you want to see, then click **Continue**.
- From there you can search for a specific doctor or type of practice. You can also scroll down further to **Find what you need by category** and choose from there.

Here's an overview of how the three medical plan options differ:

	Traditional Choice Plus	SavingsPlus HSA	Basic Plus
Where you can go for care	Any provider. However, the amount you pay is generally lower when you use in-network providers.	Any provider. However, the amount you pay is generally lower when you use in-network providers.	In-network only – greatest savings with Tier 1 providers.
Deductible – The amount you must pay out of your pocket before the plan pays a share of the cost	<ul style="list-style-type: none"> • Doctor and specialist visits are not subject to the deductible (you pay a flat copay per visit). • If you cover dependents, each covered dependent must meet their own deductible unless two or more family members reach the family deductible first. • The deductible applies to medical expenses only. 	<ul style="list-style-type: none"> • All services are subject to the deductible. • If you cover dependents, you must meet the family deductible. • The deductible applies to both medical and prescription drug expenses. 	<ul style="list-style-type: none"> • Most services are subject to the deductible. • If you cover dependents, each covered dependent must meet their own deductible unless two or more family members reach the family deductible first.
Coinsurance – Your portion of the cost of services once you meet your deductible	You pay 20% of in-network services (40% out-of-network*) once you meet your deductible.	You pay 20% of in-network services (40% out-of-network*) once you meet your deductible.	You pay 30% after deductible when you use providers in the Tier 1 – ACPN+ network and 50% after deductible when you use other Aetna in-network providers.
Out-of-Pocket Maximum – The most you will pay out of your pocket in a year for eligible expenses	If you cover dependents, each covered dependent must meet their own out-of-pocket maximum unless two or more family members reach the family out-of-pocket maximum first.	If you cover dependents, you must meet the family out-of-pocket maximum.	If you cover dependents, each covered dependent must meet their own out-of-pocket maximum unless two or more family members reach the family out-of-pocket maximum first.
Broadridge HSA Contribution	Not Applicable	\$500 individual / \$1,000 family	Not Applicable

*If you reside outside of the Aetna Choice Plus managed care service areas, out-of-network benefits are paid at a higher level than the standard managed plan benefits (you will pay 20% coinsurance vs. 40%). The deductible and out-of-pocket maximums are the same as the in-network benefit levels.

Extended Medical Program – Discontinued

Effective June 11th, 2025, the “Extended Medical Option” under the Plan has been discontinued and is no longer available to associates or their dependents who were not enrolled as of that date. This change does not affect former associates and/or their dependents who were actively enrolled in and receiving benefits under the Extended Medical Option as of June 10, 2025. If you were enrolled and receiving benefits under the Extended Medical Option as of June 10, 2025, you will continue to be eligible for coverage and benefits for the duration of your eligibility under the Plan’s terms in effect prior to this change. If you or your covered dependents lose coverage under the Plan as a result of your termination of employment or death, you may be entitled to COBRA continuation coverage.

Prescription Drug Coverage

When you enroll in a Broadridge medical plan option, you automatically receive prescription drug coverage through CVS Caremark® (CVS). You can use any pharmacy in the network, including CVS retail pharmacies, to fill up to a 30-day supply of non-maintenance medications.

Prescription Drug Formulary

Prescription drug coverage under the Aetna medical plan options is subject to the CVS Caremark Formulary. A formulary is a list of commonly prescribed medications that have been shown to be clinically effective and affordable. You can see the CVS formulary by visiting the [CVS microsite](#).

Generic Drugs

When you fill your prescription, a generic drug will automatically be dispensed, if available. If you request a brand-name drug (preferred or non-preferred) when a generic equivalent is available, you will pay the generic coinsurance amount plus a penalty – the difference between the brand cost and the generic cost. The difference in cost will not count toward your out-of-pocket maximum.

Maintenance Medications

If you are taking a maintenance medication, the first three prescriptions (of a 30-day supply each) that you fill at a retail pharmacy will be charged at the 30-day supply coinsurance percentage.

Thereafter, if you choose to continue to refill your 30-day supply at a retail pharmacy every month instead of opting for a 90-day supply through the CVS Caremark Maintenance Choice® Program (CVS mail order pharmacy or at a participating CVS retail pharmacy), you will have a higher cost share that will not count toward your out-of-pocket maximum.

Your prescription benefit plan offers Maintenance Choice, a program which gives you the option to pick up or get delivery of 90-day supplies of the medication you take regularly (for things like diabetes, high blood pressure, asthma, etc.) at select participating pharmacies. Sign in to [Caremark.com/PharmacyLocator](https://www.caremark.com/PharmacyLocator) to find a participating pharmacy.

SavingsPlus HSA Medical Plan Option – Preventive Prescription Drugs

Preventive medications help prevent disease and help you manage existing conditions to avoid future complications. If you enroll in the SavingsPlus HSA medical plan option, certain preventive drugs are not subject to your annual deductible and are covered at 100%.

To view a complete list of preventive medications covered by this program, visit the [CVS microsite](#).

Specialty Medications

CVS Specialty® dispenses oral and injectable specialty medication for the treatment of complex chronic diseases. Specialty medications must be filled via CVS Specialty exclusively.

- **PrudentRx** – If you are taking a specialty medication, you need to enroll in the PrudentRx Copay Program and PrudentRx will work with you to obtain third-party copay assistance for your medication. For members with HSAs: (i) for drugs listed on the plan's HDHP Preventive Drug List, you will have a \$0 out-of-pocket responsibility for your prescriptions covered under the PrudentRx Solution; and (ii) for all other drugs, you will have a \$0 out-of-pocket responsibility for your prescriptions covered under the PrudentRx Solution after your deductible has been satisfied. When using this assistance, plan members may pay nothing out of pocket for medications on the specialty drug list dispensed by CVS Specialty. If you choose not to enroll in the PrudentRx program, medications in the specialty tier that are eligible for the PrudentRx program will be subject to a 30% coinsurance and the amount you pay out of pocket may not apply to your deductible and/or out-of-pocket maximum. Also, payments made by you for a medication that does not qualify as an “essential health benefit” under the Affordable Care Act (ACA), will not count toward your ACA out-of-pocket maximum (if any), unless otherwise required by law.

If you currently take one or more medications included in the **PrudentRx Program Drug List**, you will receive a welcome letter and phone call from PrudentRx that provides specific information about the program as it pertains to your medication, including how to enroll.

If you or a covered family member are not currently taking, but will start a new medication covered under the PrudentRx Copay Program, you can reach out to PrudentRx or they will proactively contact you so that you can take full advantage of the PrudentRx Copay Program. Call **+1 800 578 4403** with any questions.

- **True Accumulation Program** – If you are eligible for and use a third-party copay assistance program – commonly known as a “manufacturer copay card” – when you fill your prescription through CVS Specialty, your out-of-pocket costs may be reduced for a 30-day supply of your specialty medication. Any savings or rebates you receive from the drug manufacturer will not count toward the annual deductible and/or out-of-pocket maximum. Only the amount you pay out of your pocket will apply to the deductible and/or out-of-pocket maximum.

Cost Saver (powered by GoodRx) – Save Money on Generic Prescriptions

Cost Saver, when available, helps you pay less on eligible generic prescriptions. Just present your CVS member ID card when you pick up your prescription and the program will manage the rest for you. The program chooses the lowest cost automatically – no other action is required.

Your Medical and Prescription Drug Cost of Coverage

New for 2026, as a result of the **payroll and timekeeping systems enhancements** effective January 1, 2026, your deductions for benefit coverage will change to coincide with the new pay frequencies. Hourly associates will have weekly payroll deductions and salaried associates will have monthly deductions. When comparing your 2025 deductions with your 2026 deductions, you will see differences in amounts due to this change. The following chart shows your cost of coverage for each medical plan option for 2026:

Coverage Tier	Traditional Choice Plus		SavingsPlus HSA		Basic Plus	
	Weekly	Semi-Monthly	Weekly	Semi-Monthly	Weekly	Semi-Monthly
Associate Only	\$52.66	\$114.10	\$30.13	\$65.28	\$17.54	\$38.01
Associate + Spouse/Partner	\$140.00	\$303.33	\$78.65	\$170.42	\$46.59	\$100.95
Associate + Child(ren)	\$116.82	\$253.10	\$66.38	\$143.83	\$39.69	\$85.99
Family	\$210.43	\$455.93	\$129.96	\$281.58	\$73.52	\$159.30

Medical Plan Surcharges

If you are newly enrolling in a Broadridge medical plan option, you will be prompted to complete the Working Spouse/ Domestic Partner and Tobacco Use Attestations, as applicable. If you add a spouse or domestic partner on a Broadridge medical plan who otherwise has access to health insurance through their own employer, you will be charged an additional fee every pay period, based on the medical plan option you choose. Similarly, if you or a covered person uses tobacco, you will be charged the Tobacco Surcharge each pay period. If you have not used tobacco and/or nicotine products within the past 6 months, you are eligible to waive the tobacco surcharge.

	Traditional Choice Plus	SavingsPlus HSA or Basic Plus
Working Spouse Surcharge	\$1,000 annually	\$500 annually
Tobacco Use Surcharge	\$600 annually (\$23.08 bi-weekly)	

If you’re currently enrolled in medical coverage, your working spouse and tobacco use attestations will automatically carry forward to 2026. We encourage you to review your attestations to be sure they are up to date.

Other Programs Available if You're Enrolled in a Broadridge Medical Plan Option

Cancer Care through MSK Direct

Additional Voluntary Health Coverages

Hospital Indemnity Plan

The Hospital Indemnity plan, administered by Aetna, pays benefits when you have a planned or unplanned hospital stay for an illness, injury, surgery, or if you are having a baby. The plan pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. Benefits are paid regardless of any other medical insurance you have.

Group Critical Illness

Having a major health event or diagnosis can bring a variety of physical and emotional reactions. Financial worries can just exacerbate what you're going through. Group Critical Illness, administered by Aetna, provides a lump-sum payment when you receive a diagnosis of a specific covered illness, such as cancer, or if a specific event occurs, such as a heart attack or stroke. The coverage pays a lump sum depending on the coverage level you elect, \$15,000 or \$30,000, and the type of illness or event. You can enroll your dependents at 50% of your coverage amount.

Group Accident

You can't plan for accidents, but you can protect yourself financially if you have one. Group Accident Insurance, administered by Aetna, provides a benefit payable directly to you for the treatment of accidental injuries that may occur on or off the job. You can elect coverage for yourself and any eligible dependents and use these funds to help pay out-of-pocket medical or personal expenses while you focus on your recovery. Group Accident Insurance will pay:

- A specified dollar amount for a variety of minor injuries, like a broken tooth or finger, or more serious injuries, like a broken leg or torn ligament that are the result of an accidental injury.
- Additional benefit amounts for services, such as emergency room visits, hospitalization, physical therapy, lodging and transportation needed during your treatment.

Enhancements for 2026

Hospital Indemnity:

- Admission coverage has been changed from one to unlimited.

Critical Illness:

- 100% recurrence coverage for critical illness, cancer, and in-situ with a 180-day waiting period.

Group Accident:

- Initial Emergency Room Treatment: Increased from \$150 to \$300
- Initial Treatment – Physician's Office/Urgent Care: Increased from \$150 to \$300
- Hospital Stay – Daily (365 days): Increased from \$100 to \$200
- Hospital Stay – ICU Daily (365 days): Increased from \$200 to \$400
- Rehabilitation Unit Daily (30 days): Increased from \$100 to \$200
- Accident Follow-Up Visit: Increased from \$50 to \$100 (now 3 visits instead of 2)
- Therapy Services (Speech, Occupational, or Physical): Increased from \$30 to \$50 (10 visits)
- Chiropractic Treatment: Increased from \$15 to \$50 (10 visits)
- Medical Imaging: Increased from \$100 to \$200
- Dislocations and Fractures: Enhanced coverage for various dislocations and fractures, with significant increases in benefit amounts

Hospital Indemnity, Group Critical Illness and Group Accident

Benefits are paid directly to you, giving you extra cash when you need it most. The amount you receive can be used in any way you choose, including:

- Expenses the health plan doesn't cover, such as your out-of-pocket medical expenses.
- Day-to-day cost of living, such as rent or mortgage payments, groceries, childcare and utility bills.
- Helps to replace income lost while not working.

You can enroll eligible dependents up to age 31 in all plans.

Your Dental Options

Did you know that a healthy mouth is essential to your overall health? Poor oral health can lead to periodontal disease, which has been linked to illnesses such as heart disease, diabetes and respiratory infection.

You have the option of enrolling in three dental plans, offered through Aetna. You don't have to enroll in Broadridge's medical plan to elect dental coverage. All three options offer 100% coverage for in-network preventive care. The indemnity plan provides the same level of coverage for any provider, regardless of network. The PPO plan provides a higher level of benefit when you use in-network providers, and a lower benefit level if you go out of the network. The DMO plan offers coverage when you use in-network providers only, which means you pay the full cost if you go out of the Aetna network. The annual maximum is the most the plan will pay for covered services each year.

Plan Detail	Indemnity Plan	PPO Plan		DMO Plan
		In-Network	Out-of-Network	In-Network Only
Annual Deductible				
Individual	\$25	\$50	\$50	None
Family	\$75	\$150	\$150	
Annual Maximum	\$1,500 per person	\$1,500 per person	\$1,000 per person	Unlimited
Preventive Services	100%	100%	100%	100%
Basic Services	80%	85%	50%	100%
Major Services	80%	60%	50%	60%
Orthodontics (Adults & Children)	50%	50%	50%	50%
Orthodontic Lifetime Maximum	\$1,500 per person	\$1,500 per person	\$1,000 per person	Unlimited

Your Dental Cost of Coverage

New for 2026, as a result of the **payroll and timekeeping systems enhancements** effective January 1, 2026, your deductions for benefit coverage will change to coincide with the new pay frequencies. Hourly associates will have weekly payroll deductions and salaried associates will have monthly deductions. When comparing your 2025 deductions with your 2026 deductions, you will see differences in amounts due to this change. The following chart shows your cost of coverage for each dental option for 2026:

Coverage Tier	Indemnity Plan		PPO Plan		DMO Plan	
	Weekly	Semi-Monthly	Weekly	Semi-Monthly	Weekly	Semi-Monthly
Associate Only	\$10.58	\$22.92	\$5.06	\$10.96	\$2.57	\$5.57
Associate + Spouse/Partner	\$23.42	\$50.75	\$11.99	\$25.98	\$5.76	\$12.49
Associate + Child(ren)	\$21.08	\$45.68	\$10.99	\$23.82	\$5.52	\$11.97
Family	\$33.69	\$73.01	\$16.51	\$35.77	\$8.82	\$19.11

PPO Plan – New Extend Network

The PPO plan now features a larger network of providers through the Extend network. Be sure to search “Dental PPO/PDN with PPO II and ExtendSM” to access all of the providers available to you if enrolled in this plan.

Finding Aetna Dental Providers

- To find dental providers, go to [Aetna.com](https://www.aetna.com).
- At the top of the screen, choose **Find a doctor**.
- Under the box **Don't have a member account?**, choose **Plan from an employer**.
- Under **Continue as guest**, enter your zip code and click **Search**.
- Under **Select a Plan**:
 - **Dental PPO/PDN with PPO II and ExtendSM** (PPO or Indemnity option)
 - **DMO/DNO** (DMO option)
- Click **Enter** and click on the radio button for the plan that you want to see, then click **Continue**.
- Scroll down to click on **Dental Care**, then continue searching for Dentists, Dental Specialist, Pediatric Dentist, etc. and continue with the prompts.

Vision Coverage

Taking care of your eyes is important to your overall well-being. You have the option of enrolling in vision coverage through Aetna. Vision coverage helps pay for eye exams, frames, lenses and contact lenses for you and your dependents. You also receive discounted services for Laser Vision Correction through contracted laser centers.

Benefits are available once every 12 months when you use Aetna in-network providers:

Benefit	You Pay
Exams	\$10 copay
Lenses	\$10 copay*
Frames	\$0 Copay; \$175 Allowance**
Contacts (when chosen instead of lenses and a frame)	\$10 copay + \$175 allowance

* Not all lenses are covered with a \$10 copay (premium progressive lens).

** 20% off balance over allowance.

If you get services through a provider that is not in the Aetna network, you will be reimbursed only up to the allowable amount, which is the maximum reimbursement Aetna will pay through the plan.

Your Vision Cost of Coverage

New for 2026, as a result of the **payroll and timekeeping systems enhancements** effective January 1, 2026, your deductions for benefit coverage will change to coincide with the new pay frequencies. Health Savings Account (HSA) – Save Money Today and for the Future

If you enroll in the SavingsPlus HSA, you have the option of making pre-tax contributions to a Health Savings Account (HSA). The HSA has a number of features that make it a valuable tool to save on expenses today, as well as help you save for the future.

There are “triple tax” advantages to contributing to an HSA. Contributions are taken out of your paycheck before taxes. Once in your account, they grow tax free* with interest or investment earnings. When they’re withdrawn to pay for eligible health care expenses, they are free of federal, and in many cases, state taxes. If you use your HSA to pay for ineligible expenses before age 65, you will be taxed on those amounts and will be subject to an additional 20% penalty.

* All references to “tax free” refer to federal income tax.
State tax laws vary. You should consult with a professional tax advisor about your personal tax situation.

Annual Contributions to Your Account

Broadridge makes automatic contributions at the beginning of each quarter to your HSA based on the coverage tier you elect when you enroll in the SavingsPlus HSA medical plan option. You will receive the contribution the calendar quarter after you enroll. It’s important to remember, Broadridge will only make this contribution if you elect to participate in the Inspira HSA. If you do not want to make your own contributions to the HSA, but still want to receive the Broadridge contribution, then simply set your contribution rate to \$0.

Each year you decide how much to save in your HSA, up to IRS limits. You can start, stop or change your contribution at any time. The annual contribution limits and Broadridge contributions are:

Annual 2026 Contributions and IRS Limits			
Medical Coverage Tier	Broadridge Contribution	Your Maximum Contribution	Maximum IRS Contribution Limit*
Associate Only	\$500	\$3,900	\$4,400
Associate + Spouse/ Partner	\$1,000	\$7,750	\$8,750
Associate + Child(ren)	\$1,000	\$7,750	\$8,750
Family	\$1,000	\$7,750	\$8,750

* If you are age 55 or older by the end of the tax year you can contribute an additional \$1,000.

Use Your Money When You Need It

When you have an eligible health care expense during the year, you can use your Inspira HSA debit card and the money comes right out of your account. Eligible expenses include medical, prescription drugs, dental and vision costs. You can find a complete list by logging in to your Inspira account at inspirafinancial.com.

Watch Your Balance Grow if You Don’t Use It

One of the best features of the HSA is that the money is yours to keep and carries forward each year, even if you leave Broadridge. That makes it a valuable tool to help you save for future health care expenses. Not only are your contributions and qualified withdrawals from your account free of federal taxes, but your investment earnings are as well.

Making Your HSA Elections

If you are currently contributing to your HSA, your election will automatically carry forward to 2026 and you will not have to make a new election unless you are changing coverage tiers or would like to change the amount you contribute. We encourage you to review your contribution election to be sure it’s still right for you.

HSA Eligibility

You can establish an HSA if you:

- Enroll in the SavingsPlus HSA medical plan option.
- Are not enrolled in any part of Medicare.
- Are not claimed as a dependent on someone else’s tax return.
- Do not have coverage under any non-high deductible health plan that provides coverage for any benefit covered by the SavingsPlus HSA (e.g., through a spouse/partner), or participate in a general purpose health care FSA.

Using Your HSA to Save for Future Medical Expenses

Consider this...Fidelity estimates that the average 65-year-old couple retiring in 2025 will need approximately \$344,000* to cover future medical costs. If you do not use your HSA dollars now, your account can grow year after year with your contributions. Use your money for things like Medicare premiums, deductibles and coinsurance, qualified long-term care premiums, hearing aids and more.

Broadridge helps you save by contributing to your account. And remember, your contributions decrease your taxable income, so you're also saving on taxes today.

* Estimate based on a hypothetical couple retiring in 2025, 65-years-old, with life expectancies that align with Society of Actuaries RP-2014 Mortality Table Healthy Annuitants rates projected with Mortality Improvement Scale MP-2020 as of 2025.

Health Care and Limited Purpose Flexible Spending Accounts (FSAs) – Save Money on Health Care Expenses

The Health Care and Limited Purpose FSAs let you set aside money on a pre-tax basis to pay for eligible health care expenses. The 2026 limit for both plans is \$3,300.

If you elect to contribute, payroll contributions will be taken out of your paycheck in equal amounts.

The Health Care and Limited Purpose FSAs are administered by Inspira.

- **Health Care FSA** – You can contribute to the Health Care FSA if you waive medical coverage or if you enroll in the Traditional Choice Plus or Basic Plus medical plan options. You can use funds in your Health Care FSA for medical, prescription drug, dental and vision expenses. If you contribute, Broadridge makes a \$100 contribution to your account. This amount is factored into the annual contribution maximum.
- **Limited Purpose FSA** – Due to IRS regulations, if you enroll in the SavingsPlus HSA medical plan option and participate in a Health Savings Account (HSA), your Health Care FSA will be designated as a Limited Purpose FSA and can only be used for dental and vision expenses. Because Broadridge makes an annual contribution to your HSA, there is no Broadridge contribution to the Limited Purpose FSA.

Getting Reimbursed for Your Expenses

Your full annual Health Care and Limited Purpose FSA balance is available to use at the beginning of the year. There are three ways to get reimbursed for eligible expenses:

- **FSA Debit Card** – When you enroll in the Health Care or Limited Purpose FSA, you will receive an FSA debit card. You can use your debit card to pay for eligible health care expenses when you incur them.
- **Connected Claims** – Visit the Inspira website and select the “Connected Claims” feature which allows your eligible Aetna claims to be applied toward your FSA balance automatically.
- **Inspira Website** – Pay for your expenses out of your pocket and submit your claims on inspirafinancial.com. You have the option to send payments directly to your provider or send the funds to yourself if you already paid for these expenses out of your own pocket.

In all cases, you may be required to show proof of an eligible expense, so be sure to save all of your receipts. A helpful list of health care expenses that the IRS considers eligible for reimbursement are described in **IRS Publication 502**.

It's Important to Plan Carefully

You must use all the money in your account to pay for expenses incurred through December 31, 2026, and file all 2026 claims by March 30, 2027. Any money in your Health Care or Limited Purpose FSA not used for 2026 claims, and not submitted for reimbursement by the filing deadline, will be forfeited.

Dependent Care FSA – Save Money on Day Care Expenses

If you and your spouse work, are looking for work, or are in school full time, the Dependent Care FSA lets you set aside pre-tax money for eligible day care, summer day camp, after school or home care expenses for qualified dependents, including children under age 13 (or older, if disabled). Other qualified tax dependents include your spouse and your parents if they live with you and are mentally or physically incapable of caring for themselves.

If you elect to contribute, deductions will be taken out of your paychecks in equal amounts throughout the year.

The Dependent Care FSA is administered by Inspira. For 2026, you can contribute from \$500 to \$7,500 to the Dependent Care FSA, or up to \$3,750 if you and your spouse both work and file taxes separately.

Getting Reimbursed for Your Expenses

Your Dependent Care FSA dollars are available for reimbursement as they are deposited into your account through payroll deductions. When you enroll in the Dependent Care FSA, you will not receive an FSA debit card. You must submit your claims for reimbursement in order to receive payment for you or your provider. You may be required to provide additional detail of your eligible expenses, so be sure to save your receipts.

It's Important to Plan Carefully

It's important to estimate how much money to contribute to your Dependent Care FSA carefully. You must use all the money in your account to pay for expenses incurred through December 31, 2026, and file all 2026 claims by March 30, 2027. Any money in your Dependent Care FSA not used for 2026 claims, and not submitted for reimbursement by the filing deadline, will be forfeited.

Commuter Benefits

The Commuter Benefits program, administered by Inspira, lets you set aside pre-tax dollars to pay for eligible mass transit and parking expenses to get to and from work. You can contribute up to \$340 in pre-tax dollars toward your eligible mass transit and parking expenses each month. Broadridge provides a monthly subsidy of up to \$60 towards transit orders (for months in which you place a transit order). If you are located in the Gateway Center Newark, NJ office only, the subsidy may be applied for parking or transit monthly orders (for months in which you place an order), but not both.

Commuter orders may be placed, stopped, and changed on a month-to-month basis at any time during the year at inspirafinancial.com. New orders, stops, and changes must be entered by the 10th of any month on the Inspira site to be effective for the 1st of the following month (e.g., by January 10 for February 1).

Is Your Family Growing?

If you've recently added a child to your family, or you plan on adding a child in 2026, consider contributing to the Dependent Care FSA if you expect to have daycare expenses. The Dependent Care FSA can save you money by using pre-tax dollars to pay for that care and the IRS maximum has increased by \$2,500 for 2026.

Life and Accidental Death and Dismemberment (AD&D) Insurance

It's always a good idea to plan for the unexpected, no matter what your age or stage in life. Broadridge provides you with company-provided basic life and AD&D coverage, and you have the option of enrolling in additional coverage for more protection. Securian is the administrator of our life and AD&D plans.

Basic Life and AD&D Insurance

You are automatically enrolled in basic life and AD&D insurance on your date of hire. These plans provide a benefit of one-and-a-half times your annual base salary, up to a maximum of \$1 million. Please note that the IRS requires employers to calculate imputed income tax on group term life (GTL) insurance valued above \$50,000. You will see the GTL imputed income added to your gross pay for tax withholding purposes only. If you do not want to be charged imputed income, you have the option to waive the full amount of coverage and elect coverage up to \$50,000 only.

Voluntary Term Life

If you need more coverage than the basic life coverage provided by Broadridge, you have the option of enrolling in voluntary term life insurance. Coverage is available for you and your eligible dependents.

- **For Yourself** – You can elect one-and-a-half to eight times your annual base salary, up to \$3 million.
- **For Your Dependents** – You can elect coverage for your spouse/partner in increments of \$25,000, up to \$100,000 or increments of \$50,000, up to a maximum of \$250,000 (not to exceed your term life election). You can elect coverage of \$10,000 for your children. You must elect coverage for yourself to elect coverage for your spouse/partner or children.

Voluntary AD&D Insurance

AD&D Insurance provides additional financial protection if you suffer the catastrophic loss of limb, sight, speech, hearing or die from an accident. You can elect coverage for yourself and eligible dependents at variable benefit amounts to help provide added financial security in the event you or a loved one pass away or are unable to return to work following an accident.

Has Your Family Status Changed?

It's important to have enough life insurance to protect your loved ones if something unfortunate were to occur. If your family status has changed, your life insurance needs have likely changed. Take the time to review your life coverage and decide if you want to add protection that's in addition to what Broadridge offers at no cost to you.

Benefit Scout®

Not sure what coverage is right for you and your family? Securian offers Benefit Scout, an online decision-support experience to help you decide what insurance options make sense for you and your family. You have 24/7 access to Scout, an automated chat assistant, plus a dedicated Enterprise Contact Center. Visit LifeBenefits.com/broadridge to get started.

Review and Designate Your Beneficiaries

Take the time to review your beneficiaries during Open Enrollment. You can view and designate your beneficiaries on BroadridgeBenefits.com. Even if you have basic coverage only, it's always a great idea to review your beneficiaries to be sure they are up to date, especially if you've experienced a life event.

Disability Insurance

New for 2026 – Broadridge’s Leave and Disability administrator will transition from Prudential to MetLife. In addition, there will be enhancements to the Short-Term Disability benefit.

Short-Term Disability (STD)

Broadridge provides you with an STD benefit that offers pay continuation for up to 26 weeks. Once you have been out on a leave for your own condition for seven consecutive calendar days, your one-week elimination period will be retroactively covered and you will receive one week of leave pay going back to the start of your leave. If eligible, STD benefits pay:

Weeks on STD	Percentage of Pay
Weeks one through 10	100%
Weeks 11 through 26	80%

STD benefits will be reduced by any state or statutory benefits you are entitled to while you are on STD.

Learn more about MetLife as our new Leave and Disability administrator by scanning the QR code or visiting:

Long-Term Disability (LTD)

If you are ill or injured for more than 180 days, you may be eligible for long-term disability (LTD) benefits. Broadridge provides you with basic coverage automatically, and you have the option of purchasing additional coverage.

Basic LTD provides a benefit of 40% of your covered monthly base salary, up to \$15,000 per month. You may buy up an additional 20% of coverage, for a benefit of 60% of your covered monthly base salary, up to \$22,500 per month.

You must provide evidence of insurability (EOI) if you enroll in Buy-up LTD outside of the 31-day new hire/ newly-eligible grace period. However, if you are currently in the grandfathered LTD program that is being discontinued effective January 1, 2026 and you enroll in Buy-up LTD, you will not need to complete EOI for this enrollment year.

Long-Term Disability (LTD)
Buy-Up Option

If you are currently in the grandfathered LTD program that is being discontinued effective January 1, 2026, you have the option of enrolling in additional coverage during Open Enrollment. This additional coverage increases your benefit to 60% of your covered monthly base salary, up to \$22,500 per month. Be sure to take action and enroll if you’d like this coverage.

Pet Assure Veterinary Discount Plan

If you have a pet, you understand how quickly they can become part of the family. The Pet Assure Veterinary Discount Plan lets you save money on medical services for your pet.

The program includes:

- 25% off at participating veterinarians on all in-house medical services, including office visits, vaccinations, surgery, dental cleaning, spay and neuter surgery, x-rays, emergency visits and any other procedures the vet performs. Even procedures related to pre-existing conditions are discounted.
- 24/7/365 lost pet recovery service.

You will receive your Pet Assure membership card in the mail. When you visit a participating veterinarian, present your Pet Assure card at checkout, and the veterinary staff will apply your discount to all in-house medical services. There is no paperwork or forms to fill out. You can use your savings immediately upon enrollment in the program.

ID Theft Protection

Your identity is not just your Social Security Number. It's your full online activity, from financial transactions to what you share on social media. Provided through Allstate, ID theft protection helps you protect the trail of data you leave behind. When you elect coverage, you get comprehensive, proactive defense against identity theft.

- Identity protection for everyone under your plan, including senior family coverage (parents, grandparents, and in-laws 65+).
- Personal computer security protection, including mobile device security and safety VPN.
- Monitor social media accounts for questionable content and signs of account takeover.
- Check your identity health score.
- Catch fraud at its earliest sign with tri-bureau monitoring and an annual tri-bureau credit report and score.
- Lock your TransUnion credit report in a click and get credit freeze assistance.
- Get help disputing errors on your credit report.
- Receive alerts for cash withdrawals, balance transfers, and large purchases.
- Get reimbursed for fraud-related losses like stolen 401(k) and HSA funds or fraudulent tax returns with a \$1 million identity theft insurance policy (family plans only).

ID Theft protection provides protection from a wide range of identity threats, so you can keep loving what technology adds to your life.

Auto and Home Insurance Discounts

If you're shopping for auto or home insurance, you can also check out prices and get a no-obligation quote through voluntary auto and home insurance offered through top-rated carriers: Farmers, Travelers, and Liberty Mutual Insurance. Others are saving an average of \$748.49 a year through this insurance program! Associates can pay by direct bill. To receive a quote visit VoluntaryBenefits.Broadridge.com or call +1 800 638 6854.

Vacation Flex

If you are an hourly associate, Vacation Flex lets you elect an additional week of vacation time in lieu of one week of pay (divided and deducted from your pay across all pay periods in the following year). You must actively make an election to participate in 2026, as your 2025 election will not automatically carry forward.

If you elected Vacation Flex in 2025 and have a balance at the end of the year, any election you make for 2026 will be cancelled. You cannot make a Vacation Flex election if you have a balance from the previous year.
