

Cancer

Learning that you or a loved one has cancer is a daunting experience. At Ecolab, we are committed to providing comprehensive resources and support for you and your family. Explore the resources and links below.

Cigna Oncology Support	From understanding your diagnosis to discussing your health care provider's treatment plan to celebrating your survivorship, this program is here to support you and your family throughout your journey. This is part of the Cigna health plan and is offered at no extra cost to you if you are enrolled in an Ecolab medical plan. For more information, call Cigna at 1.800.900.3791.
Employee Assistance Program (EAP)	A cancer diagnosis can be emotional for both the patient and the family. The Cigna Confide EAP can help provide emotional support day or night. Visit mycigna.com (employer ID: ecolab) or call 1.800.900.3791.
Transitional Support	Ecolab provides Transitional Support Services through Ayco to help navigate the financial issues following the diagnosis of a terminal illness of an associate or their spouse/domestic partner. Please contact the Ecolab Benefits Center at 1.800.964.0265 for more information.
Short-Term Disability (STD)	If you're unable to work due to illness or injury, Ecolab provides Short-Term Disability (STD) pay to assist you for up to 26 weeks. Review the FAQ for more information. Learn more.
Long-Term Disability	If you need to remain out of work after your STD has exhausted, you may transition to long-term disability (LTD). The Ecolab LTD summary plan description is available on mybenefits.us.ecolab.com in the My Resource Library.
Ida C. Koran Trust	Started by Ecolab's first employee, Ida C. Koran , the Trust offers financial assistance to Ecolab associates, their dependents, and retirees who experience an unexpected crisis that causes financial hardship.

CANCER

Lane Health

Lane Health offers a Healthcare Spending card to help cancer patients and their families manage healthcare costs. This card provides access to a line of credit, flexible payment option and potential tax-savings through HSA linking, all with no annual fee, credit check, or lengthy application required. For more information or to apply, visit lanehealth.com/ecolab.
