The bswift advantage

Through bswift, our benefits administrator, benefits are made easy and you will experience:

- One person to talk to. A single point of contact will be available to answer questions and help you understand your options, including Medicare, supplemental programs and public exchanges.
- Help making choices. If you are a Pre-65 retiree, you can use Ask Emma, an interactive decision support tool, on the [Chubb Benefits Portal](#).
- A simple enrollment. If you and your spouse/partner are in separate plans (pre-Medicare and Medicare Supplement plans), you can make elections under one record and receive one monthly invoice.
- Transfers to the right place. bswift will transfer you to the appropriate vendor to discuss your pension and 401(k) questions.

It's time to enroll!

When you can enroll

Choosing the right benefits is one of the most important decisions you can make. At Chubb, we offer programs that protect you and your family's health and well-being in your retirement years.

How to enroll

Go to chubb.bswift.com and use the username and password you previously created.

The site is mobile friendly and ready to use on your smartphone or tablet. bswift does provide an app, but its capabilities are limited to listing your benefits and uploading some verification documents.

If this is your first time signing in

If this is your first time signing in to the [Chubb Benefits Portal](#), you will need to create a new username and password by clicking "First Time" user.

Ask Emma® (Pre-65 Retirees)

Built into Ask Emma is a provider search tool that will help you make more informed enrollment choices. This advanced technology puts real-time data at your fingertips, letting you create search filters, compare plans side-by-side and see important provider details—all as part of the enrollment process.

The [Chubb Benefits Portal](#) also contains other tools and calculators, such as:

- Doctor/provider look-up through carrier sites
- Videos and articles about your benefits, health and wellness, money management and more

There's a new MyBenefits website—learn.bswift.com/chubb

Our benefits website makes it easy to get the information you need to understand and use your benefits.

- Accessible on any connected device from anywhere
- No login required—family members can use the site, too
- Get helpful links and contact information

Who can enroll

You must be enrolled in a plan yourself to cover dependents. You may only cover dependents who are currently covered; new dependents may not be added to coverage.

Qualifying life events

The benefits you elect will be locked in until the end of 2024, unless you experience a qualifying life event, which includes:

- Divorce, legal separation or end of partnership
- Death of your spouse or covered child
- Loss or addition of other group coverage
- Change in residence that affects your eligibility for coverage
- You or your covered dependent becomes eligible for Medicare

Changes must be made within 30 days of your qualifying life event and are effective as of the date of the event. To make the change, visit the [Chubb Benefits Portal](#) and follow the instructions. You may also call the Chubb Benefits Service Center at 1-844-58CHUBB.

Have questions?

Chat with a customer service representative at the Chubb Benefits Service Center, Monday through Friday, 8 a.m. to 8 p.m. ET:

- Call 1-844-58CHUBB (1-844-582-4822)
- Use the Chat feature on the Chubb Benefits Portal for live assistance from a customer service representative.

Pre-65 Medical benefits

With four medical plans and a range of coverage levels and costs, it can be difficult to understand which option is right for you. Ask Emma® on the [Chubb Benefits Portal](#) will help you through the enrollment process, but here are some key things to consider when choosing a medical plan option.

Compare the plans (Kaiser)

Better care from a connected team

If you live in California or Hawaii, you have the option to select medical plans through Kaiser Permanente. Kaiser takes an integrated managed care approach to health care. That means Kaiser is more than an insurance company; they also operate the hospitals and medical offices where you receive care.

Kaiser’s doctors, hospitals and health plans are all part of one team. That means your eye doctor can remind you if you’re overdue for a cancer screening. If you need to see a specialist, that specialist will have important information about your health before they even meet you in person. When you fill a new prescription, your pharmacist can make sure it’s safe to take with your other medications. The app you use to view your lab results is the same one you use to pay your bills.

Although coverage outside the Kaiser network is limited to emergency room visits only, this model enables Kaiser to deliver the right care faster—and help members avoid unnecessary visits, serious health conditions and many of the hassles associated with other kinds of medical plans.

Out-of-network means that a doctor or physician does not have a contract with your health insurance plan provider, which can sometimes result in higher prices. To find an in-network doctor, see chart below.

Prescription drug coverage

If you enroll in a medical plan through Aetna or Horizon Blue Cross Blue Shield, your prescription drug benefits will be provided by Express Scripts. You can visit [express-scripts.com](https://www.express-scripts.com) to find a pharmacy near you.

Use your Express Scripts identification card when purchasing any prescriptions to ensure you are charged the correct amount. If you have any questions, please call Express Scripts at 1-866-544-6884.

If you enroll in a medical plan through Kaiser, you will use the same identification card for both medical and prescription expenses.

Did you know...
Generics are safe and effective, and they're an easy way to save money.

Want to pay less for prescription drugs?

Use these money-saving programs:¹

- Rx Savings Solutions: Register at myrxss.com or download the Rx Savings Solutions app to find the best prescription drug prices. Medications will be displayed, along with all options to maximize your savings.
- Express Scripts Smart90: Receive 90-day supplies of your long-term medication through mail order or at a participating Walgreens retail pharmacy for added convenience and lower costs.

¹Not available to Kaiser members.

Post-65 Medical benefits

Chubb offers medical plans to help supplement your primary coverage through Medicare if you are eligible for medical coverage. We are offering the following retiree medical plans for 2024:

- Medicare Supplement Plan: available in all locations and offered through Horizon Blue Cross Blue Shield
- Senior Advantage Plan: available in California only and offered through Kaiser

You can view your personalized rates for these plans and enroll by visiting chubb.bswift.com or calling the Chubb Benefits Service Center at 1-844-58CHUBB (1-844-582-4822) to speak to a Retirement Specialist.

Choosing medical providers

The Medicare Supplement Plan through Horizon Blue Cross Blue Shield allows you to direct your own care. This means you can receive care from any doctor, specialist or hospital that you choose. Medicare must process all claims first as the primary insurer.

Kaiser's Senior Advantage Plan only pays benefits when you visit an in-network provider. To find providers in Kaiser's network, visit kp.org, then click "Find a Doctor" and enter your search criteria.

Have questions about your Medicare coverage?

Speak with a customer service representative who can assist you with Medicare and other retirement-related questions. Please call the Chubb Benefits Service Center at 1-844-58CHUBB (1-844-582-4822).

Prescription drug coverage

If you enroll in the Medicare Supplement Plan through Horizon, your prescription drug benefits will be provided by Express Scripts. You can visit [express-scripts.com](https://www.express-scripts.com) to find a pharmacy near you.

Use your Express Scripts identification card when purchasing any prescriptions to ensure that you are charged the correct amount. The Preferred Prescription Drug list can be found in the Resource Center on the [Chubb Benefits Portal](#). If you have any questions, please call Express Scripts at 1-866-544-6884.

If you enroll in a medical plan through Kaiser, you will use the same identification card for both medical and prescription expenses.

You can save hundreds of dollars a year just by switching from a brand name to a generic or by switching from a capsule to a tablet or vice versa.

If you haven't registered with Rx Savings Solutions, go to myrxss.com and register for notifications about these savings opportunities.

What will you pay?

See [page 18](#) for information about premium rates.

Medicare

The federal government provides you with health insurance during retirement—Medicare. Let’s look at Medicare, and how it works with your Chubb retiree benefits.

Medicare basics

Generally, you are eligible for Medicare if you are age 65 or older, or if you receive Social Security disability benefits, regardless of your age. Here are a few important things to note:

- If you retire when you are age 65 or older, you are immediately eligible for Medicare.
- If you retire before age 65, you become eligible for Medicare when you reach age 65.
- Once you are eligible for Medicare, it becomes your primary medical coverage.
- Except for cases of Social Security disability, you are not Medicare-eligible if you are under age 65.

How Medicare and your Chubb medical benefits work together

Horizon Medicare Supplement Plan: As a retiree age 65 or older or under age 65 and enrolled in Social Security disability, by law, Medicare will be your primary insurance in almost all cases and the Medicare Supplement Plan will be secondary to Medicare. This means that when you receive medical care (excluding prescription drugs), Medicare pays for eligible services first. The Medicare Supplement Plan will pay 80% of the costs Medicare does not pay.

Kaiser Senior Advantage Plan: As a Medicare replacement plan, the Senior Advantage Plan works a little differently than the Horizon Medicare Supplement Plan. For example, the Senior Advantage Plan acts as a full replacement for Medicare Parts A, B and D. Please carefully review the Kaiser Plan details on the [Chubb Benefits Portal](#) before making your selection.

Legacy Chubb retirees, refer to [page 21](#) for additional details regarding changes to the retiree medical subsidy taking effect January 1, 2024.

Medicare coverage Parts A and B—you must enroll when you are first eligible

You or a covered family member needs to enroll for both Parts A and B of Medicare when you first become eligible. If you do not sign up for Part B when you are first eligible, you may have to pay a late enrollment penalty for as long as you have Medicare. Your monthly premium for Part B may go up 10% for each full 12-month period that you could have had Part B but didn’t sign up for it.

Additionally, enrollment is necessary when first eligible to avoid a gap in coverage. For more information about your Medicare eligibility and to sign up for Parts A and B, call 1-800-MEDICARE (1-800-633-4227) or visit [medicare.gov](#) and click the “Get started with Medicare” button.

Prescription coverage and Medicare Part D

Chubb Medicare-eligible plan enrollees do not need to purchase Medicare Part D. Actuaries have confirmed that Chubb’s prescription coverage is at least as good as the standard Medicare Part D coverage.

Other options for retiree medical coverage

Instead of Chubb medical coverage, you have the option of purchasing a Medicare supplemental policy directly from an insurance company. The types of plans you can purchase include Medigap policies and prescription drug plans offered through various health care providers, or you may choose a Medicare Advantage Plan. The premium for an individual plan may cost less or more than Chubb’s medical plans and may include features that Chubb’s medical plans do not have. For information on purchasing this type of retiree medical coverage, visit [medicare.org](#).

Understand your Medicare options with SmartConnect

Experts at SmartConnect can help you navigate your Medicare options, compare them to your Chubb plan and even assist with enrollment in a Medicare plan. You may call SmartConnect at 1-877-374-2705, Monday through Friday, 8:30 a.m. to 6 p.m. ET.

Life insurance

Chubb is phasing out retiree life insurance through Prudential.

As the chart below shows, the benefit will be reduced by 25% each year until it is fully eliminated by 2026. Beginning in 2024, your coverage will be reduced to 50% of your original benefit amount.

Retiree Life Insurance Coverage Amount (% of coverage)

Pre-2023	100%
2023	75%
2024	50%
2025	25%

You will not have the option to convert any or all of this discontinued coverage with Prudential. However, you may contact Prudential or another life insurance carrier of your choice if you wish to purchase retiree life insurance coverage on your own.

Be sure your beneficiaries are up to date!

Visit the Chubb Benefits Portal at chubb.bswift.com to see your current life insurance coverage amount and to check beneficiaries.

Retiree medical subsidy for legacy Chubb retirees

If you were hired before 1999 or rehired before 2012, the retiree medical subsidy reduces the premium rate you pay for your retiree medical coverage as shown in the table below.

For example, let's assume you had 30 years of service at retirement. That means Chubb currently pays approximately 48.75% of your plan premium, while you pay the remaining 51.25%. In 2024, the subsidy will change to 32.5% of the premium cost and you will pay the remaining 67.5%.

The medical subsidy is phasing out

The retiree medical subsidy began phasing out in 2023, as shown in the table. Each year, the subsidy is reduced until it ends completely on December 31, 2025. .

Years of service	Company Subsidy (% of plan premium)				
	Pre-2023	2023	2024	2025	2026
Less than 25	55%	41.25%	27.50%	13.75%	0%
25 but less than 35	65%	48.75%	32.50%	16.25%	0%
At least 35	55%	56.25%	37.50%	18.75%	0%
