

Are you prepared for the “what ifs”?

Chubb’s Travel 365 plan covers unexpected risks related to traveling in an ever-changing environment while providing you with Reliable & Responsive Service if something goes wrong.

What if your travel is canceled or interrupted while visiting one of the Seven Wonders of the World?

Our plans provide reimbursement for forfeited, pre-paid non-refundable trip costs and additional covered transportation expenses for trips that are cancelled or interrupted due to a covered unforeseen event.

What if your travel is delayed, preventing you from returning home and requiring additional accommodations?

Our plans reimburse for reasonable additional expenses incurred until travel becomes possible to the originally scheduled destination, if your trip is delayed 5 consecutive hours due to a covered unforeseen event.

What if your baggage is delayed and you need to purchase essential items?

We can help reimburse you for the purchase of necessary personal effects if your baggage is delayed or misdirected for more than 12 hours while on a trip.

What if your travel is disrupted due to a sickness or injury and you need to seek medical attention?

We provide coverage for reasonable and customary charges if you suffer an injury or sickness requiring you to be treated by a physician while on a trip.
