Getting started

Registering your account for the first time

- Visit <https://mybenefitsconnect.chubb.com>
- To register for the first time, click **First time here? Register now**
- Next, enter your name, date of birth, last four digits of your Social Security number
- Select from 3 options to locate your account:
 - Phone number
 - Policy number
 - Social Security number
- You will receive a one-time passcode (OTP) to the email address you provided to complete your registration
- Create a user ID with your email address and choose a password

Logging in

- Once you're registered, login to the Self-Service Portal at <https://mybenefitsconnect.chubb.com>
- After logging in, you'll come to your dashboard

Starting a new claim

Select Claimant

- In the Claims section, choose **Start a new claim**:
 - Let us know if you're starting the claim for yourself or someone else
 - If you're starting this for a dependent, we'll need you to add their details

Choosing your claim type

- On the New Claims page, you'll see a list of claim types:
 - Accident
 - Sickness
 - Wellness
 - Cancer
 - Life
- Selecting the right claim type is easy:
 - For example, if you were in an accident, check the **Accident** option
 - If you were sick, check the **Sickness** option
- Tell us what happened and the portal will check for all coverage and benefits that apply.

Accident claim

Initiating your claim

- You'll see a screen with instructions for completing an Accident claim
- Click the **Start your claim** button to begin

Step 1 - Claim details

- Provide information about the accident:
 - Enter the date when the accident occurred, provide details about what happened and about any injuries sustained

Step 2 - Treatments

- In this step, provide details on where medical treatment was received
- If you were hospitalized or kept in an observation unit, please provide:
 - Hospital name and address
 - Check-in and check-out dates
 - Whether you were admitted to the ICU

Step 2 - Treatments (cont.)

- If your condition caused disability and you were unable to work, enter:
 - Duration of disability
 - Start and end dates
 - Whether the disability was total or partial
- Indicate if you're receiving or received:
 - Workers' Compensation
 - Benefits from the Social Security Act
 - State disability benefits
- Provide your employment information:
 - Employer details
 - Description of your job duties
- When you've filled everything out, click **Continue**

The screenshot shows the 'Disability' section of the app. It asks 'Did your accident cause a disability?' with radio buttons for 'Yes' (selected) and 'No'. Below, it asks 'Total disability: Are/were you totally disabled (unable to work in any capacity) for one or more periods of time?' with radio buttons for 'Yes' (selected) and 'No'. Under 'Total Disability Period 1', it asks 'Do you know the end date of this disability period?' with radio buttons for 'Yes' and 'No' (selected). A 'From' date field shows '01/02/2023'. A 'Remove' button is at the bottom right.

Step 3 - Benefits

- In the Benefits section you'll find a list of potential covered benefits for your claim, such as:
 - X-rays
 - Casts or splints
 - Prescriptions
 - Surgeries
- Select any treatments that apply and enter the date you received each treatment
- When you are done, click **Continue**
- Go to Step 4 – **Documents**

The screenshot shows the 'Benefits' section of the app. A sidebar on the left lists 'Claim Details', 'Treatments', 'Benefits' (selected), 'Documents', and 'Review'. The main area is titled 'Benefits' with a note 'All fields are required unless marked optional.' Below, it says 'Additional treatments received' and 'Tell us about other treatments you received. Select all that apply.' There is a checkbox for 'I had a concussion' which is checked, followed by a 'Date' field with the placeholder 'MM/DD/YYYY'. Below this are several unchecked checkboxes: 'I needed transportation to go to the hospital', 'I had an x-ray', 'I required a cast or splint', 'I received medical equipment (e.g. crutches or a wheelchair)', 'I was prescribed medication or injections', 'I had surgery', and 'I received a transfusion and/or processing of blood, plasma, or platelets'. At the bottom, there is an 'Exit claim' link and a 'Back' button.

Sickness claim

Initiating your claim

- You'll see a screen with instructions for completing a Sickness claim
- Click the **Start your claim** button to begin

Step 1 - Claim details

 - Select the dates that your sickness began
 - Select the option from the list that best describes your sickness
 - If you're pregnant, be sure to select that option
- Once you've made your selections, click **Continue**

Step 2 - Treatments

- In this step, share the specifics on your sickness treatments:
 - Where you received medical care, including the name and address of the facility
 - The dates and costs of your treatments
 - If you spent time in an observation unit or were hospitalized
- If you were hospitalized or kept in an observation unit, please provide:
 - Hospital name and address
 - Check-in and check-out dates
 - Whether or not you were in the ICU

Step 2 - Treatments (cont.)

- If your sickness caused disability and you were unable to work, add:
 - Duration of the disability
 - Start and end dates
 - Whether the disability was total or partial
- Indicate if you're receiving or received:
 - Workers' Compensation
 - Benefits from the Social Security Act
 - State disability benefits
