New! Healthy Paws

Your pets are always there when you need them. Healthy Paws lets you return the favor.

Pet insurance can help cover veterinary costs for medical expenses that arise during your pet's lifetime. The Healthy Paws pet insurance plan covers new accidents and illnesses with customizable pricing. Choose from flexible deductible and reimbursement options to tailor your monthly premium.

With Healthy Paws' easy-to-understand plan, you can be reimbursed up to 80% of your vet bills for unexpected incidents with no per-incident, annual, or lifetime caps.

How does the insurance work?

- Visit any licensed veterinarian
- Pay the vet
- Submit your claim by taking a photo of the vet bill and submit it using the Healthy Paws mobile app or website (no need for claim forms!)
- Get reimbursed via check or direct deposit

Accident

Accidents happen every day. An unpredictable event can cause significant personal grief and financial hardship that can devastate a family. Chubb's Accident insurance can help.

If you or an insured family member are injured in a covered accident and suffer a covered loss, we will pay the benefit amount established for that loss. The benefit amounts depend on the type of injuries you have.

When enrolled in Accident insurance, you can receive a Wellness Benefit that pays you \$100 per family member per year after you go for one of more than 30 covered health screenings, including Chubb's Biometric Screening.

Critical Illness Insurance

When you're diagnosed with a critical illness, healing should be your primary concern—not worrying about how to pay your bills.

Chubb's Critical Illness insurance helps protect you from the financial impact of covered illnesses, including heart attack, cancer and stroke. You receive a cash payment to help with your expenses, your mortgage, your rent, your childcare—whatever you need—so you can focus on recovery. Choose from two lump sum options, \$15,000 or \$30,000.

When enrolled in Critical Illness insurance, you can receive a Wellness Benefit of \$50 per family member per year after you go for one of more than 30 covered health screenings, including Chubb's Biometric Screening.

Hospital indemnity

With Hospital Indemnity supplemental insurance, you can keep your focus on recovery, not how to pay your bills. Chubb Hospital Cash pays you directly from day one if you are admitted to a hospital for a covered illness or injury. It will pay a daily lump-sum benefit up to the daily maximum, for each day you remain in the hospital.

You choose which plan option works best for you. Additionally, each plan includes a Rehabilitation Unit Confinement benefit that pays a daily amount for confinement in a rehabilitation unit up to 10 days annually.
