

Fidelity Goal BoosterSM was designed to help you save more successfully for your short-term savings goals. Whether you're thinking about buying a new home, car, or need to save for the unexpected, Goal Booster can help you think a little smarter about saving. We've combined educational tools, savings and investing calculators, and a curated selection of some of Fidelity's most affordable saving and investing products into one digital experience.

What to consider

You may know Fidelity® as your partner in retirement, but did you also know that Fidelity offers a range of products to help you achieve your short-term, non-retirement goals? Fidelity Goal Booster helps you think through your savings goals, compare different ways to save, and start saving today.

Where to go to get started

<http://www.fidelity.com/goalbooster>

You could lose money by investing in a money market fund. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Before investing, always read a money market fund's prospectus for policies specific to that fund.

Fidelity Go® provides discretionary investment management, and in certain circumstances, non-discretionary financial planning, for a fee. Advisory services offered

Key features

- **Goal Set Up:** Set and manage as many goals as you'd like
- **Product comparison:** Find out if you're potentially leaving money on the table and explore different ways you may save towards your goal with a Fidelity® Cash Management Account, Fidelity Go®, money market funds, and CDs.
- **Integrated Dashboard:** Track your goals, move money, and get real-time alerts about your progress

How it works

1. **Set** - Tell us what you're saving for and when you want it and we'll help you understand how much you need to save and a few ways you could potentially achieve that goal.
2. **Save** - Do more than think about your goals—start working towards them. Open and link accounts directly to your dashboard and manage your progress in real time.
3. **Achieve** - Goal Booster is with you every step of the way, cheering you on and giving you the insights and motivation you need to keep working towards success.
