

# What do all these people have in common?

They all have access to potentially save on their auto and home insurance.

## Multiple Discounts Available

You could save when you insure your auto and home with the same provider.<sup>1</sup> Find out how much you could save with discounts such as:

- Up to 15% just for working at your company.<sup>2</sup>
- Driving accident-free, driving with anti-lock brakes, and insuring more than one vehicle.
- Paying your insurance premiums using convenient payroll deduction.

Feel confident that the knowledgeable, licensed representative you speak with helps you find every possible discount available.

## Comparison-Shop On One Call

In minutes, you can compare coverage, prices and discounts from some of America's top insurance companies. If one of these quotes offers a better value, you can switch—even if your policy hasn't expired—on the same call. You pay nothing to compare and you are under no obligation when you call.

## Save On Other Coverages

Take advantage of coverage to protect more than just your auto and home:

- Boat
- Apartment
- Motorcycle/ATV
- Seasonal Home
- Condo/Townhome
- RV
- Mobile Home
- Utility Trailer
- Rental Property
