CHUBB®

# Cancer care tailored to meet your needs

Whether you or someone you love is battling cancer, or you just want to stay up-to-date with screening and prevention, Chubb is here for you.

Let our 24/7 Health Guides connect you with quality treatments and screening tests, with the caring support you need to achieve your goals.

## How we can help you

### Prevention & early-detection

Benefit from cancer prevention education and screening.

### Access to quality cancer doctors

Get matched with a nationally recognized expert to oversee your treatment.

### Care & support at home

Reach our virtual care team, find caregiver support, or take advantage of mental health resources.

## Ready to get started?

Turn the page for additional services and learn how to start today.

## Explore available services

### 24/7 Health Guides

Start by talking to a real person. Our expert Health Guides will ensure you find the help you need.

### Cancer screening & prevention

From genetic testing to lifestyle counseling, we're here to help you and your family minimize your cancer risk.

### Caregiver support

Access education and support from a community of people who understand what you're going through.

### Expert second opinions

Meet with experts from nationally recognized cancer centers to assess your current diagnosis and treatment plan.

## In the fight against cancer— you deserve every advantage
