- ⬡ 35+ years of community impact
- ⬡ Four-time Football League Community Club of the Year
- ⬡ Programmes in education, employability, health and sports
- ⬡ Recruiting qualified coaches across West London

Summary

Brentford FC Community Sports Trust is an award winning charity using the power of sport to inspire, educate and support people across West London and neighbouring areas. With more than three decades of community work, the Trust has built a reputation as a pioneering, inclusive organisation closely connected to Brentford FC.

The Trust delivers programmes in education, employability, health,

disability sport and community engagement. They are currently seeking qualified coaches and instructors to support projects in disability sport, gymnastics, multi sport delivery and fitness. Their mission is to help local people reach their potential through accessible, high quality community programmes.

Key Facts

- One of the world's largest Coca-Cola bottlers
- Partnered with UK Youth and local organisations
- Focus on supporting young people facing employment barriers
- Building Connections programme active across the UK

Summary

Coca Cola Europacific Partners (CCEP) is a major global bottling and distribution business committed to supporting young people and strengthening local communities. Their work goes beyond manufacturing, focusing on social impact and youth opportunity.

Through the Building Connections programme, CCEP partners with UK Youth and local organisations

(including Brentford FC Community Sports Trust) to help young people overcome barriers to employment. The initiative champions the power of youth work, offering skills development, confidence building and pathways into work. CCEP aims to unlock opportunities for young people across the UK.

Key Facts

- ⬡ Non-profit social business
- ⬡ Specialist in youth employability and mentoring
- ⬡ Delivers the Social Switch Programme for 16-25 year-olds
- ⬡ Provides six months of 1-to-1 support for young people facing barriers

Summary

Catch22 is a long established social business focused on helping people overcome barriers and build sustainable futures. Their work spans education, employability, justice and social care, with a strong emphasis on supporting young people who need tailored guidance.

Through programmes like the Social Switch Programme, Catch22 provides

six months of personalised mentoring for 16–25 year-olds, helping them develop confidence, skills and clear pathways into employment. Their approach is practical, person centred and designed to create long term impact for individuals and communities.

Key Facts

- Based in Brentford with national reach
- Delivers apprenticeships and vocational training
- Works with large employers across multiple sectors
- Provides government-funded and private training programmes

Summary

MITSkills is a specialist training provider offering high quality apprenticeships and vocational programmes across the UK. With strong employer partnerships and a learner centred approach, they help people gain the skills needed for long term employment.

They design and deliver training in areas such as engineering,

construction, motor vehicle, business and more. MITSkills develops programmes that respond to industry shortages, combining practical learning with professional development. Their goal is to support learners into meaningful careers while helping employers build skilled workforces.

Key Facts

- ⬡ National organisation for blood, plasma and organ donation
- ⬡ Provides education and outreach in schools and communities
- ⬡ Supports donor registration and appointment booking
- ⬡ Works with partners to promote donation awareness

Summary

NHS Blood & Transplant Team saves and improves lives by managing the UK's blood, plasma and organ donation systems. They work closely with communities, hospitals and educators to raise awareness of the life changing impact of donation.

Their teams provide information sessions, support individuals with registering as donors and help book

donation appointments. NHS Blood & Transplant also develops educational resources to help young people understand the importance of donation and encourages more people to give safely and confidently.

Key Facts

- ⬡ Operates in 60+ countries
- ⬡ Designs and manufactures its own “Passion Brands”
- ⬡ One of the world’s largest sports retailers
- ⬡ Strong focus on sustainability and accessibility

Summary

Decathlon is a global sports retailer driven by a mission to make sport accessible for everyone. Their teams are made up of designers, innovators and sports enthusiasts who believe in autonomy, creativity and customer centred thinking.

Decathlon offers high quality, affordable equipment for beginners and professionals alike. Their culture

encourages every employee to act like an entrepreneur from day one, shaping products and experiences that help people discover and enjoy sport.

Key Facts

- International coffee house brand
- Strong focus on culture, community and progression
- Wide range of roles across stores and management
- “Be You. With Us” people-first value

Summary

Caffè Nero is a neighbourhood focused coffee house brand built on warmth, community and genuine hospitality. Their goal is to create relaxed, welcoming spaces where customers can meet, work or unwind. And their teams play a central role in bringing that atmosphere to life.

Caffè Nero offers roles across barista work, store leadership and operational

support, with strong career progression and training opportunities. They look for positive, people focused individuals who take pride in their work and enjoy being part of a supportive team. With great benefits, a strong culture and opportunities to grow, Caffè Nero offers more than just a job.
