It's February..and that means it's Italian Wine Month!

TWM has traditionally celebrated the wines of Italy every February. Italy possesses over two thousand indigenous wine grape varieties, more than any other country, and grapes are grown in almost every region. Italian wines often are made from indigenous grapes that don't grow anywhere else in the world. Italian wines are Old-World style, meaning winemaking is often terroir driven with emphasis being placed on how well the wine communicates the sense of place where it originated. We have classic selections as well as some lesser-known Italian wines to enjoy. We always have a selection from our Monthly Featured Wines open at our Daily Tasting Bar so you can Taste Before You Buy®! Cheers!

To your Health! Kathee, Emily, Kevin, Dan, Darshan, Eric, Lisa, Jennifer, and Zach
