MOVING
MOUNTAINS

Moving Mountains Gerichte stützen sich auf jüngste Erkenntnisse der Ernährungswissenschaft. Die Basis sämtlicher Gerichte: rein pflanzlich – mit wildwachsenden Zutaten sowie vollwertigen Zucker und Vollkorn, anstelle von raffiniertem Zucker und Weissmehl. Nährstoffreich, leicht verdaulich, auf die Region bezogen – und doch diktieren Geschmack und Aromen jede Mahlzeit. Halten Sie Ausschau nach folgendem Symbol: 

Moving Mountains dishes are backed by the latest findings in nutritional science. The ingredients are purely plant-based (with options) and contain wild foraged foods, whole sugars and whole grains, instead of refined sugar and white flour. Nutrient-dense, easy to digest and locally inspired - yet taste and flavours govern every decision. Look out for the following symbol:
