

THE 'BASEMENT DRINKS

*OUR SUPERB SELECTION OF WINES HAS BEEN
COMPILED WITH THE UTMOST CARE AND PASSION.*

The menu focuses on wines from the 'Bündner Herrschaft', the largest and most prestigious wine-growing region in the Grisons, and ranges from small, innovative winegrowers to larger traditional wineries. These award-winning wines are recognised both nationally and internationally for their quality.

The menu features everything from the Completer, Switzerland's oldest indigenous grape variety, to a range of outstanding Pinot Noirs. All of the wineries on our menu place an emphasis on sustainability and a respectful coexistence with nature. They practise biodynamic viticulture as a matter of course.

Thanks to our close partnerships – often even friendships – with the winegrowers, we are proud to offer the best in fine and rare wines for discerning wine lovers.

Our dedicated staff will be happy to advise you on questions or recommended wine pairings.
