

# Eden Roc Spa

## *Ascona*

The work of Ascona interior designer Carlo Rampazzi, the Eden Roc Spa ties the hotel to its stunning natural surroundings on 2.000 sqm. This is a place to reconnect with the world, and consciously indulge in every moment.

### *Connect to the power of nature*

Breathe the fresh mountain air and gaze out at clear waters. Nature's healing effects set the tone for your bespoke spa journey.

Inspired by nature, backed by science. Natural healing sits at the core of our holistic spa journeys, rooted in cutting edge science and medical research.

Every Tschuggen Collection spa experience is tailor-made. Our bespoke treatments use fully organic or certified natural products.
