

# Microtricity Change of Ownership Form

This form is to be used if you want to notify us that legal ownership of the renewable installation is being/has been transferred to someone else. This means that the Feed-in Tariff(FIT) account will need to be transferred to the new owner.

This form needs to be completed and returned to **microtricity@ecotricity.co.uk** - alternatively you can post it via our freepost service. Please address this to 'Freeport Ecotricity, FAO Microtricity'.

## Installation details

Your Feed-in Tariff (FIT) ID

Date of sale/transfer

Final generation meter reading

•

Final export meter reading (if applicable)

•

Date of readings

If you are unable to provide a meter reading on the move out date, you are authorising us to estimate a reading on this date. If the new owners can provide a reading from the date of sale, we can use this as the final reading as well. We will have to confirm this with the new owners.

## New owner's details

New owner's name(s)

New owner's contact details

## Forwarding address

We need this so we can send your final statement to your new address.

## Declaration

Please fill out the following statement

I (name) \_\_\_\_\_ am selling the property (address)

\_\_\_\_\_

and installation to (new owner's name) \_\_\_\_\_

on (date) \_\_\_\_\_ and from this date they will be the owner of the FIT account (FIT number)

\_\_\_\_\_ and therefore receive all future payments from the account.

**Print name**

**Signature**

**Date**
