Alternatively, you may appoint a proxy electronically. They must receive your votes by 10.30am on 3 May 2010. Further details relating to voting by proxy are set out in the notes to the Notice on pages 6 and 7 of this document.

Notice is hereby given that the Spirent Communications plc Annual Report for 2009 has been published on the Company's website, [www.spirent.com](http://www.spirent.com). If you have elected to receive shareholder correspondence in hard copy, then a copy of the Annual Report will accompany this Notice. At the 2010 AGM the Company's Chief Executive Officer, Bill Burns, will make a short presentation and shareholders will have the opportunity to ask questions of their Board. There are also a number of formal matters to be dealt with and further details about these matters are set out below. The formal Notice of AGM is set out on pages 4 and 5 of this document.

**Explanatory Notes on the Proposed Resolutions**

**Resolution 1 – Annual Report**

The directors will present the Annual Report for the previous financial year.

**Resolution 2 – Approval of the Directors' report on remuneration**

Shareholders are entitled to vote upon the Directors' report on remuneration which is published within our Annual Report on pages 33 to 40. This resolution is advisory only, in order to provide shareholder feedback to the Board.

**Resolution 3 – Final dividend**

The Board proposes payment of a final dividend of 0.66 pence per Ordinary Share for the year to 31 December 2009. If shareholders approve this resolution, payment will be made on 6 May 2010 to all Ordinary shareholders who were on the Register of Members at close of business on 12 March 2010.

**Resolutions 4 and 5 – Appointment of auditors and paying their remuneration**

On the recommendation of the Audit Committee, the Board proposes that Ernst & Young LLP be re-appointed as auditors of the Company. Resolution 5 proposes that the directors be authorised to determine the level of the auditors' remuneration.

**Resolutions 6 and 7 – Renewal of the powers of the Board to allot shares and to disapply pre-emption rights**

Resolution 6 seeks renewal of the resolution passed at the general meeting held on 7 May 2009 and gives the directors the authority to allot new Ordinary Shares and grant rights to subscribe for, or convert other securities into, Ordinary Shares up to a nominal value of £7,542,569 which is equal to 33.3 per cent of the Company's issued Ordinary Share capital as at 4 March 2010, being the latest practicable date before the publication of this Notice.

At 4 March 2010, the Company did not hold any shares in treasury. The directors have no specific intention at the moment to undertake a rights issue or allot new Ordinary Shares, except in connection with employee share schemes. The directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise. If the resolution is passed, the authority will expire at the earlier of the next annual general meeting or 30 June 2011.

If the directors wish to allot new Ordinary Shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these Ordinary Shares are offered first to shareholders in proportion to their existing holdings. Subject to this authority being passed, resolution 7 allows the directors to allot up to 33,941,563 new shares pursuant to the authority in resolution 6, or sell treasury shares, for cash in connection with a pre-emptive offer or rights issue or otherwise up to a nominal value of £1,131,385, equivalent to 5 per cent of the total issued Ordinary Share capital of the Company as at 4 March 2010, being the latest practicable date before the publication of this Notice, in each case without the Ordinary Shares first being offered to existing shareholders in proportion to their existing holdings. The Board considers the authority in resolution 7 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions. The Company will not allot more than 7.5 per cent of its total issued Ordinary Share capital for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in a rolling three-year period without seeking further shareholder authority.

**Resolution 8 – Authority for the Company to purchase its own shares**

This resolution renews the authority for the Company to make market purchases of its own Ordinary Shares subject to the provisions of the Companies Act 2006 (“2006 Act”), and shall expire at the earlier of the next annual general meeting or 30 June 2011. This power will only be exercised if the directors believe that it is in shareholders’ best interests and will increase earnings per share. The resolution specifies that no more than 9.99 per cent of the Company’s issued Ordinary Share capital as at 4 March 2010 (67,815,242 Ordinary Shares) may be acquired together with the minimum and maximum prices at which they may be bought. It is currently the directors’ intention, were shares to be bought back, for them to be cancelled or retained in treasury pending a subsequent sale, cancellation or transfer. 0.6 million Ordinary Shares were bought during the 2009 financial year and, at the date of this Notice, the Company does not hold any Ordinary Shares in treasury.

**Resolution 9 – Notice of general meetings**

Changes made to the 2006 Act by the implementation of the Companies (Shareholders’ Rights) Regulations 2009 (the “Shareholders’ Rights Regulations”) increase the notice period required for general meetings of the Company to 21 days, unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs will continue to be held on at least 21 clear days’ notice). Prior to the Shareholders’ Rights Regulations coming into force, the Company was able to call general meetings other than an AGM on 14 clear days’ notice without obtaining such shareholder approval. In order to preserve this ability, this resolution seeks the necessary shareholder approval to enable the Company to call general meetings on 14 clear days’ notice. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of the shareholders as a whole. The approval will be effective until the Company’s next AGM, when it is intended that a similar resolution will be proposed to renew this authority. The Company will also need to meet the requirements for electronic voting under the Shareholders’ Rights Regulations before it can call a general meeting on less than 21 clear days’ notice. The Company already provides the ability for shareholders to vote electronically online.

**Resolution 10 – Amendments to Articles of Association**

It is proposed in this resolution to adopt new Articles of Association (the “New Articles”) in order to update the Company’s current Articles of Association (the “Current Articles”) primarily to take account of the coming into force of the Shareholders’ Rights Regulations, the implementation of the last parts of the 2006 Act and amendments to the Uncertificated Securities Regulations 2001. The principal changes introduced in the New Articles are summarised in the Appendix to this document. Other changes, which are of a minor, technical or clarifying nature and also some more minor changes which merely reflect changes made by the 2006 Act or the Shareholders’ Rights Regulations or the Uncertificated Securities Regulations 2001, or conform the language of the New Articles with that used in the model articles for public companies set out in The Companies (Model Articles) Regulations 2008 have not been noted in the Appendix to this document on page 7. The New Articles showing all the changes to the Current Articles are available for inspection, as described in Note 7 of this Notice.

**Recommendation**

The directors consider that all the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. Your Board will be voting in favour of them and unanimously recommends that you do so as well.

Yours sincerely

**Alex Walker**  
Chairman

- From the date of this Notice until the conclusion of the 2010 AGM a version of the Articles of Association showing the changes proposed by resolution 10 (marked "A") will be available for inspection at the registered office of the Company, at the offices of the Company's lawyers, Linklaters LLP, One Silk Street, London EC2Y 8HQ, and for at least 15 minutes before the 2010 AGM begins and during the 2010 AGM.
8. Shareholders are advised that unless otherwise provided, the telephone numbers, website and email addresses which may be set out in this Notice or Form of Proxy are not to be used for the purpose of serving information or documents on the Company (including the service of documents or information relating to proceedings at the Company's 2010 AGM).
  9. As at 4 March 2010, being the latest practicable date before the publication of this Notice, the issued Ordinary Share capital of Spirent Communications plc consisted of 678,831,250 Ordinary Shares with voting rights. Therefore, the total number of voting rights in Spirent Communications plc at that date was 678,831,250.
- 10. Electronic proxy appointment through CREST**
- CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the 2010 AGM to be held on 5 May 2010 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available at [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Equiniti is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST Members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
13. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the 2010 AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous annual general meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the 2010 AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
14. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
  - a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
  - b) the answer has already been given on a website in a form of an answer to a question; or
  - c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
15. A copy of this Notice and other information required by section 311A of the Companies Act 2006 can be found at [www.spirent.com](http://www.spirent.com).

## APPENDIX

### Summary of Principal Changes to the Company's Articles of Association

#### 1. Notice of general meetings

The Shareholders' Rights Regulations amend the 2006 Act to require the Company to give 21 clear days' notice of general meetings unless the Company offers members an electronic voting facility and a special resolution reducing the period of notice to not less than 14 days has been passed. Annual general meetings must be held on 21 clear days' notice. The New Articles remove provisions in the Current Articles dealing with notice of general meetings on the basis that this is dealt with in the 2006 Act.

#### 2. Voting record date

Under the 2006 Act as amended by the Shareholders' Rights Regulations, the Company must determine the right of members to vote at a general meeting by reference to the register not more than 48 hours before the time for the holding of the meeting, not taking account of days which are not working days. The Current Articles have been amended to reflect this requirement.

#### 3. Adjournments for lack of quorum

Under the 2006 Act as amended by the Shareholders' Rights Regulations, general meetings adjourned for lack of quorum must be held at least ten clear days after the original meeting. The Current Articles have been changed to reflect this requirement.

#### 4. Voting by proxies on a show of hands

The Shareholders' Rights Regulations have amended the 2006 Act so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more than one member in which case the proxy has one vote for and one vote against if the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution. The Current Articles have been amended to reflect these changes.

#### 5. General

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills.
