

## **SPIRENT COMMUNICATIONS PLC CHANGE TO OPERATING SEGMENTS**

**London, UK – 25 February 2016:** As set out in our Full Year 2015 results announcement released earlier today Spirent Communications plc (“Spirent”, the “Company” or the “Group”) (LSE: SPT), a leading communications technology company, announces a change to its operating segments with effect from 1 January 2016.

The following changes have been made to Spirent’s operating segments:

- The Service Experience line of business will be combined with the core Service Assurance business and reclassified from Wireless & Service Experience to Service Assurance. Following this change the operating segments will be named as follows:
  - The Wireless & Service Experience operating segment will be named Wireless & Positioning.
  - The enlarged Service Assurance operating segment will continue to be named Service Assurance.
- The Testing Technologies line of business, acquired in February 2014, will be combined with the Networks & Applications business and reclassified from Wireless & Service Experience to Networks & Applications.

Following this change restated operating segment information for years 2012 to 2015 is reproduced below. 2012 is the first year affected by this change.

**Restated comparative operating segment information**
