

SMU ANNOUNCES NEW SUPER10 STORE OPENING

Santiago, June 19, 2026.– SMU S.A. (“SMU” or the “Company”) (Santiago Stock Exchange: SMU) announced the opening of a new Super10 store in the municipality of Rancagua, which is located in the O’Higgins Region of Chile. This store is SMU’s sixth opening this year, and its second this week, as the Company continues to deliver on its organic growth plan for 2026.

Super10 is a soft discount format that caters to final customers, offering low prices through its *Super Barato* (“Super Cheap”) strategy, with a special focus on a basket of basic products that are most relevant for its customers. With this new store, Super10 continues to grow, after having expanded from 16 to over 50 stores in 2025.

About SMU

SMU is a leading food retailer in Chile, satisfying the needs of its B2C and B2B customers with multiple formats (*Unimarc*, *Alvi*, and *Super10*) and broad geographic coverage, with operations in all 16 regions of the country. SMU also has a growing presence in Peru, through the brands *Mayorsa* and *Maxi Ahorro*.

Caution Regarding Forward-Looking Statements

This press release may contain forward-looking statements. We have based any such forward-looking statements largely on our current beliefs, expectations and projections about future events and financial trends affecting our business. Although management considers these projections to be reasonable based on information currently available to it, many important factors could cause our actual results to differ substantially from those anticipated in our forward-looking statements. The words “believe,” “may,” “will,” “aim,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “forecast” and similar words are intended to identify forward-looking statements. Forward-looking statements include information concerning our possible or assumed future results of operations, business strategies, financing plans, competitive position, industry environment, potential growth opportunities and the effects of future regulation and competition. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks that predictions, forecasts, projections and other forward-looking statements will not be achieved. In light of the risks and uncertainties described above, the forward-looking events and circumstances discussed in this press release might not occur and are not guarantees of future performance. Therefore, we caution readers not to place undue reliance on these statements. Forward-looking statements speak only as of the date they were made, and we undertake no obligation to update or revise any forward-looking statements included in this press release because of new information, future events or other factors.
