### INSTAGRAM SCAVENGER HUNT

@missouriquiltco

Create a post on your Instagram account showing us 3 or more of the suggested photos below. Be sure to include the hashtag #MSQCBirthdayBash and feel free to post more than once! We will feature several posts in our Instagram Stories throughout the event.

- Show us your favorite fabric in your stash (which might mean ALLLLLLL of it)!
- What quilt project are you currently working on?
- Show us your sewing space!
- Do you keep scraps? Show us how you organize them!
- What are your favorite colors to quilt with?
- Show us one of your quilts in use in your home.
- Where do you keep your UFOs?
- Snap a picture of yourself - we want to see your wonderful smiling faces!
- What is the quilt you are most proud of or was your favorite to make?

Be sure to use the hashtag #MSQCBirthdayBash and tell us a little bit about yourself in the post. (i.e. When did you start quilting? Why do you quilt today? What is one random fact about yourself?)

### SOCIAL MEDIA FUN

## FACEBOOK VIRTUAL SEW ALONG

While we would rather sew with you in person, a virtual sew along can be fun too! The best part is that you can work on anything you would like to. We just want you to share your progress as you go!

Create a post on your Facebook account showing us what you're working on during Birthday Bash. Be sure to tag #MSQCBirthdayBash and tell us a little bit about the project. (i.e. Who is it for? What fabric line did you choose?) You are welcome to post multiple times if you would like to.

Need some inspiration? Choose one (or more!) of the blocks from the Missouri Star All Stars Block of the Month tutorials, dig through your stash for the perfect fabric, and head over to your sewing machine. What will you make? A coaster? A table runner? A baby quilt? A king size quilt? The sky is the limit!

Please note: While there is not a pattern available for this table runner, it is an example of how you can be creative using the Missouri Star All Stars Block of the Month tutorials to create something unique.  
**We want to see what YOU come up with!**
