From Mr. Mac

WOW.....what an incredible ride this has been at Allen HS.....I honestly can't believe that it's over. I have loved teaching every single one of you and I can't imagine my life without you in it. Tonight was bittersweet but was SO VERY SPECIAL to me. Getting to see so many of you and now seeing your babies just makes my heart melt!! Make sure you and your families always sing and/or play an instrument so they can add their talent and passion to the world! Words cannot express how much I will miss you and making music with you. Sophia Zhang gave me a card this week (that made me cry again.....ugh) but she ended it with this phrase from Dr. Seuss that I am taking with me as my departing motto. *"Don't be sad that you are leaving.....Be glad that it happened"*

I'm glad it happened with all of you!
