Friendly Reminders

- Clapping is the appropriate way to show appreciation for the performance rather than whistling or cheering.
- Pictures and recordings are always welcome. Please avoid flash photography as it can be distracting to the performers.
- Parents with small children who become fussy may quickly step out of the auditorium and into the main lobby area.
- While students are performing, please remain seated and silent as it is distracting to the performers when there is movement in the auditorium.
- Please silence all cell phones, pagers, tablets, and anything else with an On/Off switch.
