**Welcome to The Lightning Thief: The Percy Jackson Musical!**

**We are thrilled to share this electrifying adventure with you.**

**Based on Rick Riordan's beloved book series, this musical takes us on a journey filled with Greek mythology, modern-day heroism, and the timeless themes of identity, friendship, and bravery.**

**As we dive into Percy Jackson's world—a world where ancient gods and mythical creatures collide with everyday life—we invite you to embrace the chaos and magic that surrounds Percy's quest.**

**It's a journey not just for him, but for all of us.**

**Percy discovers his true self, and through that, we too are reminded of our own strength and the importance of finding our place in the world, even when everything seems impossible.**

**This show is fast-paced, witty, and full of heart, with a fantastic mix of humor and raw emotion.**

**It's a celebration of the bonds that form between unlikely heroes, the twists and turns of fate, and the moments where we all must decide who we truly are.**

**We hope you leave here not only entertained, but inspired.**

**Like Percy, you may leave with a little more courage, a new understanding of yourself, and a belief that even in the midst of the storms of life, heroes can emerge from the most unexpected places.**

**Thank you for joining us on this thrilling ride.**

**Let the adventure begin!**
