Important Reminders:

- Clapping is the appropriate way to show appreciation for the performance rather than whistling or cheering.
 - Please hold applause until the directors hands have come down and steps away from the center of the stage.
 - Pictures and recordings are always welcome. Please avoid flash photography as it can be distracting to the performers.
 - Parents with small children who become fussy may quickly step out of the auditorium and into the main lobby area.
 - While students are performing, please remain seated and silent as it is distracting to the performers when there is movement in the auditorium.
