Honoring Graduates  
of Allen High School

---

# Congratulations Class of 2021!

The Foundation For Allen Schools supports classroom innovation and provides educational opportunities for Allen ISD students and teachers. Programs include educational grants, teacher and student scholarships, and support for staff recognition and training.

Student scholarships are made possible by donations from individuals, families, community organizations, businesses, alumni, the Allen Eagle Run, and Allen ISD employees. A scholarship award is recognition of the hard work done by these young men and women and is an investment in their future.

You can become a part of the mission of the Foundation For Allen Schools in a variety of ways – including as a donor or sponsor of a student scholarship.
